Department Representative Announcement

Stony Brook West Chapter

Dear UUP Department Representatives,

Below is FYI from our Statewide UUP President.

SAVE THE DATE: August 19th 3:00 p.m. Phil Smith and other UUP Statewide officers will meet with all Stony Brook Department Reps. More details will be sent later but the meeting will address the new contract and things you should know. There's lots of new information. For example (section 23.4 i.4) provides for the increase in Family Leave days.

Subject New UUP Contract on the Web site

Dear Everyone....

The new UUP Contract is available as a PDF on the UUP Web site. The direct link is: <http://uupinfo.org/agreement.pdf>

Right now it's a large single document. It is searchable. Depending on the version of Adobe Acrobat (or Reader) that you have installed, it may be more or less easy to search.

You can get the latest version of Adobe Reader here:
<http://www.adobe.com/products/acrobat/readstep2.html> (this link is for Windows OS, there's a link on that page for other OSs).

Due to the many changes in the Contract it may take some time for us to get an

HTML version up and running.

And...FYI, we expect that the paper copies will be mailed from the printer about the second week of August. Please look for your copy in the mail.

Phil
