ARTICLE 7

Grievance Procedure

§ 7.1 Purpose

The purpose of this Article is to provide a prompt and efficient procedure for the investigation and resolution of grievances. The orderly process hereinafter set forth shall be the sole method for the resolution of grievances.

§ 7.2 Definition

a. A grievance is a dispute concerning the inter-

pretation, application or claimed violation of a specific term or provision of this Agreement; provided, however, that with respect to matters involving appointment, evaluation and promotion of employees a grievance shall be deemed to mean a claimed failure by the State to follow the procedural steps relating to appointment, evaluation and promotion of employees contained in the Policies of the Board of Trustees in Article XI, Title A, § 1; Article XI, Title D, § 5; Article XII, Title A, § 3; Article XII, Title B, § 1; and Article XII, Title C, § 3 and § 4.

b. A claim of unjust discipline shall be processed in accordance with Article 19, Discipline, of this Agreement and shall not be subject to the grievance procedure contained in this Article. However, a claim that the procedures of Article 19, Discipline, have been violated shall be processed in accordance with the grievance procedure contained in this Article. Such claim may be filed initially at Step 2. Where it is determined that the procedures of Article 19, Discipline, have been violated and where a College President, or designee, elects to proceed with disciplinary action, such action must be initiated within 10 working days from the date of receipt of the determination.

§ 7.3 Requirements for Filing Grievances

a. A grievance must be submitted in writing on forms to be provided by the State.

b. Each grievance shall identify the specific term or provision of the Agreement claimed to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it and the remedy sought.

c. No grievance shall be reviewed unless all of the

information required by the grievance form or otherwise required by grievance steps of this Article has been provided.

§ 7.4 Representation

a. UUP shall have the exclusive right to represent any employee, upon the employee's request, at any step of this grievance procedure; provided, however, that individual employees may, upon notice to UUP, initiate and represent themselves in processing their own individual grievances at Steps 1 and 2; provided further, however, no resolution of an individually processed grievance shall be inconsistent with this Agreement and for this purpose UUP shall receive prior notice and a reasonable opportunity to be heard on the resolution of any grievance so processed at Steps 1 and 2.

b. UUP shall have the right, but not the obligation, to initiate at Step 2 a grievance which directly involves employees at more than one campus.

§ 7.5 Procedures for Processing Grievances and Grievance Appeals

a. Step 1. A grievance shall be filed by an employee, or UUP upon an employee's request, with the College President, or designee, within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have known of such act or omission if that date is later. Where practicable, the grievant may be required to meet with the department or division chairperson, Dean or other appropriate administrator with a representative of the employee's choice in an effort to resolve the grievance informally. The Col-

lege President, or designee, shall schedule a meeting within 10 calendar days after receipt of the grievance and shall issue a written response to the grievant and UUP within 10 working days after the meeting.

b. Step 2.

1. If the response at Step 1 does not resolve the grievance, the grievant, or UUP upon grievant's request, may appeal the Step 1 response by filing an appeal with the Chancellor, or designee, within 10 working days after receipt of the Step 1 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, a copy of the Step 1 response and a short, plain statement of the reasons for disagreement with the Step 1 response. The Chancellor, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the appeal, unless the appeal to Step 2 contains a request for a meeting with the Chancellor, or designee. If such meeting has been requested, the chancellor, or designee, shall schedule a meeting with the grievant within 10 calendar days after receipt of the appeal. UUP may accompany and represent the grievant, at grievant's request, at such meeting. The Step 2 response shall be issued within 20 working days after the meeting.

2. A grievance involving a claim that the procedures of Article 19, Discipline, have been violated may be filed initially at Step 2 by the grievant, or UUP upon grievant's request. Such grievance shall meet the requirements specified in Section 7.3, Requirements for Filing Grievances, of this Article. Such grievance shall be filed within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have

known of such act or omission if that date is later. The Chancellor, or designee, shall schedule a review with the grievant within 10 calendar days after receipt of the grievance and shall issue a written response within 20 working days after the meeting.

3. A grievance involving employees at more than one College may be filed by UUP initially at Step 2. In such case, UUP shall be deemed to be the grievant. Such grievance shall meet the requirements specified in Section 7.3., Requirements for Filing Grievances, of this Article. The time limit for filing such grievance shall be as specified in Step 1. The Chancellor, or designee, shall issue a written response to UUP within 20 working days after receipt of the grievance unless the grievance contains a request for a meeting with the Chancellor, or designee. If such meeting has been requested by UUP, the Chancellor, or designee, shall schedule a meeting with UUP within 10 calendar days after receipt of the grievance and shall issue a response within 20 working days after completion of the meeting.

c. Step 3. If the response at Step 2 does not resolve the grievance, UUP, upon grievant's request, through its President, or designee, may appeal the Step 2 response by filing an appeal with the Director of Employee Relations, or designee, within 10 working days after receipt of the Step 2 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, or Step 2 in the case of grievances filed initially at Step 2, all prior responses and appeals, and a short, plain statement of the reasons for disagreement with the Step 2 response. A notice that the appeal has been taken shall be filed

simultaneously with the College President, or designee. The Director of Employee Relations, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the Step 3 appeal, unless UUP's appeal to Step 3 contains a request for a meeting with the Director of Employee Relations, or designee. If such meeting has been requested, the Director of Employee Relations, or designee, shall schedule a meeting with the grievant within 10 calendar days after receipt of the appeal. UUP shall accompany and represent the grievant at such meeting. The Step 3 response shall be issued within 20 working days after the meeting.

d. Step 4. 1. If the response at Step 3 does not resolve the grievance, UUP, upon grievant's request, through its President, or designee, may proceed to arbitration by filing with the Director of Employee Relations, within 10 working days after receipt of the Step 3 response, written notice of intent to proceed to arbitration.

2. Notices of intent to proceed to arbitration must include a proposed statement of the issue to be decided.

§ 7.6 Procedures Applicable to Grievance Steps

a. Step 1 shall be informal but the grievant, and the grievant's representative upon grievant's request, shall meet with the College President, or designee, for the purpose of discussing the grievance.

b. Steps 2 and 3 are intended primarily to be reviews of the existing grievance file; however, additional evidence may be submitted. If meetings at Steps 2 and 3 have not been requested, any additional evidence at such Steps must be submitted in writing.

If meetings at Steps 2 and 3 have been requested, any additional evidence may be submitted at such meetings in writing or by means of testimony. Presence of grievants at such meetings may be waived by mutual agreement of the parties.

c. Notwithstanding any other provision of this Article, neither the grievant nor UUP, as grievant's representative, shall be permitted to allege violations other than those specified in writing in the grievance filed at Step 1 or initially filed at Step 2.

d. A grievance may be withdrawn at any time by the grievant, or UUP as grievant's representative.

§ 7.7 Procedures Applicable to Arbitration

a. Selection of Arbitrators

The State and UUP shall jointly agree as soon as feasible after the execution of this Agreement on a panel of at least ten (10) contract arbitrators. Each member of the panel shall be assigned a number in rotation and shall be appointed in the order established after assignment of such numbers. The State agrees to take the necessary steps to administer the panel including, but not limited to identifying arbitrators' availability, notifying them of their appointment and assisting in arranging for hearing rooms.

b. Authority of the Arbitrator

1. The arbitrator shall neither add to, subtract from, nor modify the terms or provisions of this Agreement or the procedural steps of the Policies specified in Section 7.2, Definition, of this Article. The arbitrator shall confine the decision and award solely to the application and/or interpretation of this Agreement or whether such procedural steps of the Policies have been followed. Where provisions of this

Agreement or the procedural steps of the Policies referred to in this paragraph call for the exercise of judgment, the arbitrator shall not substitute his/her judgment for that of the official making such judgment, but shall be confined to a determination as to whether this Agreement or such procedural steps of the Policies have been followed. If the arbitrator determines that this Agreement or the procedural steps of the Policies referred to in this paragraph have not been followed, the arbitrator may fashion an appropriate remedy. In matters involving appointment or reappointment, if the arbitrator determines that the failure to follow this Agreement or the procedural steps of the Policies referred to in this paragraph has been significant, the remedy may provide for an appointment not to exceed one year. The arbitrator shall not have the authority to grant a continuing or permanent appointment. Under Article XI of the Policies continuing or permanent appointment may be granted only by the State University Chancellor.

2. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issue.

c. Arbitrability

1. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall determine initially whether the issue in dispute is arbitrable under the express terms of this Agreement. At the request of either party, such determination shall be made by a written decision and award. Once the arbitrator has determined that the issue is arbitrable in accordance with provisions of this subdivision, the arbitrator shall proceed to determine the merits of the issue.

d. Time and Place of Meeting

1. The arbitrator shall hold the hearing in Albany, unless otherwise agreed to by the parties, within 15 working days of the acceptance of the arbitrator's selection or as soon thereafter as is practicable. The arbitrator shall issue a decision and award upon an issue within 30 calendar days of the hearing, unless additional time is agreed to by the parties.

e. Effect of Decision and Award

1. The decision and award of the arbitrator shall be final and binding upon the State, UUP and the grievant to the extent permitted by provisions of this Agreement and applicable law.

f. Fees and Expenses

1. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall be responsible for the cost of preparing and presenting its own case.

§ 7.8 Miscellaneous Provisions

a. Time Limits

1. All of the time limits contained in this Article may be extended by mutual agreement of the parties. Extensions shall be confirmed in writing by the party requesting the extension. Upon failure of the State or its representatives to provide a response within the time limits provided in this Article, the grievant, or UUP as the grievant's representative, may appeal to the next Step. Upon failure of the grievant, or UUP as grievant's representative, to file a grievance or grievance appeal within the time limits provided in this Article, the grievance shall be deemed to have been withdrawn.

b. Mailing

1. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested or by personal service on the grievant or his or her representative or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.

2. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a step response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.

c. Precedent

1. Grievances resolved at either Steps 1, 2, or 3 shall not constitute a precedent in any arbitration proceeding unless agreed to in writing by the Director of Employee Relations and UUP, acting through its President.

d. Retroactivity

1. A settlement of, or an arbitrator's decision and award upon, a grievance may or may not be

retroactive as the equities of each case may demand, but in no case shall such resolution be retroactive to a date earlier than 45 calendar days prior to the date the grievance was first filed.

e. "Working days" as used in this Article shall mean Monday through Friday, excluding holidays.

§ 7.9 Applicability

a. This Article shall not apply to any matter which relates to College by-laws, policies, operating procedures, or any other form of guideline by whatsoever name, whether pertaining to a unit, department, division, school or any other level of organization of a College and whether appearing in a College handbook or any other document, which are developed by professional staff at a College for the conduct of the affairs of the College or its sublevels of organization.

ARTICLE 8

Labor-Management Meetings

§ 8.1 The purpose of this Article shall be to provide a forum to discuss, consider and attempt to resolve, where appropriate and consistent with the terms of this Agreement, matters of interest to either or both parties identified below.

§ 8.2 Representatives of the Governor's Office of Employee Relations shall meet with UUP representatives at mutually agreed upon times to discuss matters of interest raised by either party. If desired by the other party, the party requesting the meeting shall submit a written agenda in advance of the meeting.

§ 8.3 The Chancellor, or designee, shall meet with UUP representatives twice each semester for the purpose of discussing matters of interest raised by either party, including those matters necessary to the implementation and administration of this Agreement which are University-wide in nature. A written agenda shall be submitted by UUP to the Chancellor no less than five days before the scheduled date of the meeting. At the discretion of the Chancellor, additional matters for discussion may be placed on the agenda. Nothing contained herein shall prevent the Chancellor, or designee, and UUP representatives from meeting on a less frequent basis upon mutual agreement.

§ 8.4 A College President, or designee, shall meet with local UUP representatives once each month to discuss matters of interest raised by either party, including those matters necessary to the implementation and administration of this Agreement which are local in nature. A written agenda shall be submitted by UUP to the College President no less than five days before the scheduled date of the meeting. At the discretion of the College President, additional matters for discussion may be placed on the agenda with a minimum of two working days' notice to the local UUP. Nothing contained herein shall prevent the College President, or designee, and local UUP representatives from meeting on a less frequent basis upon mutual agreement.

§ 8.5 In addition to the meetings specified in Section 8.3 and Section 8.4, UUP and the Chancellor, or designee, or UUP and the College President, or designee, may meet at mutually agreed

upon times other than those set forth above if matters of immediate interest to either party arise. If desired by the other party, the party requesting the meeting shall submit a written agenda in advance of the meeting.

ARTICLE 9

Academic Freedom

§ 9.1 It is the policy of the University to maintain and encourage full freedom, within the law, of inquiry, teaching and research. In the exercise of this freedom faculty members may, without limitation, discuss their own subject in the classroom; they may not, however, claim as their right the privilege of discussing in their classroom controversial matter which has no relation to their subject.

§ 9.2 The principle of academic freedom shall be accompanied by a corresponding principle of responsibility.

§ 10.4 Claims of illegal discrimination under Sections 10.1 and 10.2 shall, at the election of the employee, be subject to review in accordance with State and Federal procedures established for such purpose, but shall not be subject to review under provisions of Article 7, Grievance Procedure, of this Agreement. At the election of the employee, the SUNY grievance procedure for review of allegations of discrimination under Section 10.1 shall continue to be available to employees in the State University Professional Services Negotiating Unit. Use of that procedure shall not deny an employee access to State and Federal procedures which exist for the purpose of reviewing alleged illegal discrimination. An employee availing him or herself of this SUNY grievance procedure for review of allegations of discrimination may, at the employee's request, elect to be represented by UUP.

§ 10.5 Claims of illegal discrimination under Section 10.3 shall be subject to review under either provisions of Article 7, Grievance Procedure, of this Agreement, or provisions of the Public Employees' Fair Employment Act at the election of the employee, but in no event shall the employee be permitted to elect review in both forums.

Lists

§ 16.1 The State shall provide UUP, on a quarterly basis, with two lists of employees in the State University Professional Services Negotiating Unit which shall include employees' names, addresses of record, line numbers, titles, professional ranks and salaries. Where available, an employee's date of initial appointment and current type of

appointment, e.g., term, permanent, continuing, temporary, will also be provided.

§ 16.2 The State shall include UUP on its mailing lists for distributions to all employees on a University-wide or College-wide basis. The College President, or designee, shall include UUP and its College Chapter on the mailing list for distributions to all employees on a College-wide basis. UUP shall include the State, the Chancellor, or designee, and the College Presidents on its mailing lists for distributions to employees. A College Chapter of UUP shall include the College President on its mailing list for distributions to all employees on a College-wide basis. Each party shall designate its address or addresses for these purposes.

§ 16.3 UUP shall provide the State, on a quarterly basis, with a list of the names, College work locations, UUP titles and University titles of each of its statewide and chapter officers, Executive Board members, Delegate Assembly members, Standing Committee members and Chapter Grievance Chairpersons. As UUP Ad Hoc Committees are established, UUP shall also provide the State with the information described herein relative to Ad Hoc Committee members.

§ 16.4 At the beginning of each semester, each College shall provide the local UUP Chapter with the names of employees of the College who commenced leaves of absence, the names of employees who were separated from employment at the College during the previous semester, and a list of new employees at the College, which list shall contain the information

described in Section 16.1. Each College shall also provide a copy of the information described in this Section to the UUP central office.

ARTICLE 17

Information and Data

§ 17.1 The State shall make available to UUP, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiating unit and in the possession of the State as are necessary for the preparation for collective negotiations and the processing of grievances. It is understood that this shall not be construed to require the State to compile information and statistics in any specific form unless mutually agreeable.

§ 17.2 Each employee shall be responsible for providing the College President, or a designee, with his/her current home address and telephone number and for keeping such information current. Such information shall be maintained for official College use only.

ARTICLE 18

Board of Trustees' Meetings

§ 18.1 The Chancellor, or designee, will furnish UUP with copies of all proposed changes in Policies affecting terms and conditions of employment prior to action thereon by the Board.

§ 18.2 The Chancellor, or designee, will furnish

UUP with a copy of the tentative advance agenda of each meeting of the Board at the same time it is made available to the members of the Board. Additionally, following approval by the Board of Trustees of the minutes of its meetings, the Chancellor, or designee, will furnish UUP with a copy of those minutes the Board makes public.

§ 18.3 UUP may request to meet with the Chancellor, or designee, in order to discuss matters described in Section 18.1 which appear on the Board's agenda. Such discussion shall take place prior to the Board meeting. The Chancellor will recommend, where the Chancellor believes it to be appropriate, that the Board or its representatives meet with UUP for the purpose of discussing such issues. This shall not preclude UUP from directly requesting a meeting with the Board of Trustees or its appropriate committee.

§ 18.4 The Board of Trustees of the University shall have the right in its judgment to change its Policies from time to time hereafter, after consultation pursuant to this Article. Nothing contained in this Agreement or actions pursuant thereto shall be deemed a waiver by the State or UUP of their right to assert, at any time hereafter, that the subjects of the Policies may or may not be appropriate subjects of collective negotiations.

ARTICLE 19

Discipline

§ 19.1 Purpose

The purpose of this Article is to provide a prompt,

equitable and efficient procedure for the imposition of discipline for just cause. Both parties to this Agreement recognize the importance of counseling and the principle of corrective discipline. Prior to initiating formal disciplinary action pursuant to this Article, the College President, or designee, is encouraged to resolve matters of discipline informally; provided, however, such informal action shall not be construed to be a part of the disciplinary procedure contained in this Article and shall not restrict the right of the College President, or designee, to consult with or otherwise counsel employees regarding their conduct or to initiate disciplinary action.

§ 19.2 Definitions

a. "Discipline" shall be defined as the imposition of a penalty by means of the procedure specified in Section 19.4.

b. "Days" shall mean working days, Monday through Friday, excluding holidays.

c. "Service" shall mean the act of delivering, in accordance with provisions of this Article, a notice of discipline. Service shall be effective three days from the time of personal service or, in the event of mailing, which shall be by certified or registered mail, return receipt requested, three days from the date the employee or any other person accepting delivery has signed the return receipt or the date the notice is returned to the College President, or designee, undelivered.

d. "Party" shall mean the State and either the employee upon whom discipline is sought to be imposed or the employee's representative selected pursuant to Section 19.8 of this Article.

§ 19.3 Applicability

Discipline shall be imposed upon employees only pursuant to this Article; provided, however, that provisions of this Article shall not apply to the termination of employees serving on temporary or probationary appointments, which may be terminated at any time in accordance with provisions of Article XI of the Policies, and provided further that provisions of this Article shall not apply to non-renewal of term appointments pursuant to Article XI of the Policies, terminations of employees due to mental or physical incapacity pursuant to Article XV of the Policies or terminations of employees pursuant to Article 35, Retrenchment, of this Agreement.

§ 19.4 Disciplinary Procedure

a. Discipline shall be imposed only for just cause. Where the College President, or designee, seeks to impose discipline, notice of such discipline shall be made in writing and served upon the employee in person or by registered or certified mail, return receipt requested, to the employee's address of record. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places.

b. The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 10 days of service of the notice of discipline, or (2) having filed a disciplinary grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by

the disciplinary arbitrator, or (4) until the matter is settled.

c. The notice of discipline may be the subject of a disciplinary grievance which shall be filed with the Chancellor, or designee, in person or by registered or certified mail, return receipt requested, by the employee, or the employee's representative, on a disciplinary grievance form to be provided by the State, within 10 days of the date of service of notice of discipline. The employee, or the employee's representative, shall be entitled to a meeting to present the employee's position to the Chancellor, or designee, within 10 days of the date of filing of the disciplinary grievance. The purpose of the meeting shall be the possible adjustment of the matter and need not involve the presentation of evidence or specification of particulars by either party. The meeting provided for herein may be waived by the employee, in writing, on the grievance form, only in accordance with provisions of Section 19.7(b). If the meeting has not been waived but cannot be held within 10 working days of the date of filing of the disciplinary grievance by reason of the unavailability of the employee, or the employee's representative, or on such other date as may be mutually agreed upon, the Chancellor, or designee, may, at the option of the Chancellor, or designee, review the disciplinary grievance on the basis of the existing record. The Chancellor, or designee, shall provide the employee, or the employee's representative, with a response in writing by registered or certified mail, return receipt requested, or by personal service within five days of the meeting or review.

d. If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary

arbitration by the employee, or the employee's representative, within 10 days of receipt of the response of the Chancellor, or designee. Notice of appeal to disciplinary arbitration shall be filed by registered or certified mail, return receipt requested, or by personal service upon the Director of Employee Relations, or designee. A copy of the appeal shall be sent simultaneously to the College President and the Chancellor's designee.

e. The State and UUP shall jointly agree, within 15 days of the execution of this Agreement, on a 25-member panel of disciplinary arbitrators. Each member of the panel shall be assigned a number in rotation and, in the event of a disciplinary arbitration, the first arbitrator in order who is available to conduct a hearing within 10 days of appointment shall serve as the arbitrator. The State agrees to perform activities necessary to appropriate administration of the panel including, but not limited to, identifying arbitrators' availability, notifying them of their appointment and assisting in arranging for hearing rooms.

f. The disciplinary arbitrator shall hold a hearing within 10 days of appointment, or as soon thereafter as practical, or within such other period as may be mutually agreed upon by the parties, recognizing, however, that except in unusual circumstances a hearing should be concluded within 30 days of the appointment of the arbitrator. The disciplinary arbitrator shall render a decision within five days of the close of the hearing, or within five days after receipt of the transcript, if either party elects a transcript, or within such other time as may be mutually agreed upon by the parties.

g. Either party wishing a transcript of a disciplinary arbitration hearing may provide for one at its

expense and shall provide a copy to the arbitrator and the other party; provided, however, the decision to make a transcript must be announced at the beginning of the hearing and the transcript must cover the entire hearing, not just a portion thereof. Delays in the preparation of a transcript shall not constitute a basis for delays in scheduling hearing dates.

h. The disciplinary arbitrator shall be confined to determinations of guilt or innocence and the appropriateness of proposed penalties. The disciplinary arbitrator may consider issues of timeliness, including those arising pursuant to Section 19.9, but shall not consider alleged violations of provisions of this Agreement, which shall be subject only to the provisions of Article 7, Grievance Procedure, of this Agreement. The disciplinary arbitrator shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator's decision with respect to guilt or innocence, penalty, or probable cause for suspension, pursuant to Section 19.7 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including ordering reinstatement and back pay for all or part of the period of suspension. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, the arbitrator may consider such suspension in determining the penalty to be imposed.

i. All fees and expenses of the arbitrator, if any, shall be divided equally between the State and UUP or the employee if not represented by UUP. Each party shall bear the cost of preparing and presenting its own case. The estimated arbitrator's fee and expenses

and estimated expenses of the arbitration may be collected in advance of the hearing.

§ 19.5 Settlements

a. A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing on the disciplinary grievance form to be provided by the State. An employee offered such a settlement shall be offered a reasonable opportunity to have a representative present before the employee is required to execute it.

§ 19.6 Effect of Settlement and Arbitrator's Award

a. All settlements and arbitrators' awards shall be final and binding upon the State, UUP, the employee and the employee's representative if other than UUP.

§ 19.7 Suspension Before Notice of Discipline

a. Prior to issuing a notice of discipline or the completion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended, without pay, by the appointing authority only pursuant to paragraphs (1) or (2) of this Section.

1. The appointing authority, or its designee, may suspend, without pay, an employee when the appointing authority, or its designee, determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by the disciplinary arbitrator. A notice of discipline shall be served no later than five days following any such suspension.

2. The appointing authority, or its designee, may suspend, without pay, an employee charged with the commission of a crime. Such employee shall notify the appointing authority in writing of the disposition of any criminal charge including a certified copy of such disposition within five days thereof. Within 30 calendar days following such suspension under this paragraph, or within five days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay. Nothing in this paragraph shall limit the right of the appointing authority, or its designee, to take disciplinary action during the pendency of criminal proceedings.

b. Where an employee has been suspended, the employee may, in writing, waive the meeting with the Chancellor, or designee, at the time of filing a disciplinary grievance. In the event of such waiver, the employee shall file the disciplinary grievance form, within the prescribed time limits for filing a grievance with the Chancellor, or designee, directly with the Director of Employee Relations, or designee, in accordance with the provisions of Section 19.4(d).

§ 19.8 Representation

a. An employee may represent himself/herself or be accompanied for purposes of representation by UUP or counsel at any stage of the disciplinary procedure contained in this Article; provided, however, an employee's representative may only act on the employee's behalf, in the absence of the employee, upon mutual agreement of the parties.

§ 19.9 Limitation

a. An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one year prior to the service of the notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

§ 19.10 Miscellaneous Provisions

a. Mailing

1. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested or by personal service on the grievant or his or her representative or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.

2. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a step response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.

3. The College President may at any time require an employee to furnish suitable medical evidence from the employee's physician to substantiate a claimed temporary disability. In the absence of such suitable medical evidence, the College President may require an employee to be examined by a physician selected by the College at its expense. In the event medical evidence does not substantiate a claimed temporary disability, use of sick leave credits shall be disallowed and the employee shall be placed on leave without pay.

4. Subject to prior approval of the College President, an employee shall be allowed to use up to a maximum of ten days of sick leave accumulated pursuant to subdivisions (a) or (b) and (c) of this Section 23.4 for

absences from work necessitated by a death or illness in the employee's immediate family. The College President's approval of requests for sick leave for purposes described in this paragraph shall not be unreasonably withheld.

Such examination may not be regularly required.

§ 23.6 Sabbatical Leave

a. Policy. Sabbatical leaves for professional development may be made available to academic employees who meet the requirements set forth below. b. Purpose. Sabbatical leaves may be granted for planned travel, study, formal education, research, writing or other experience of professional value.

c. Eligibility. Academic employees having continuing appointments who have completed at least six consecutive years of service within the University or who, if they previously have had a sabbatical leave, have completed at least six consecutive years of service within the University from the date of return from their last sabbatical leave, shall be eligible for sabbatical leave. In computing consecutive years of service for the purpose of this subdivision, periods of vacation leave and periods of sick leave with salary shall be included; periods of leaves of absence, other than vacation and sick leave with salary, and periods of part-time service shall not be included but shall not be deemed an interruption of otherwise consecutive service.

d. Terms and Conditions. Sabbatical leaves may be

granted for periods of one year at rates not to exceed one-half basic annual salary or for periods of one-half year at rates not to exceed full basic annual salary. Academic employees on sabbatical leave may, with the prior approval of the College President, accept fellowships, grants-in-aid, or earned income to assist in accomplishing the purposes of their leaves. In such cases, the College President may adjust the sabbatical leave salaries to reflect such income, either prior to or during the periods of such leaves, provided, however, that in no case shall sabbatical leave salary be reduced if total earnings are less than full salary.

e. Applications. Applications for sabbatical leaves shall be submitted to the College President as far in advance as possible of the requested effective date of the leave, but in no event later than six months in advance of such date unless such requirement is expressly waived by the College President. Each application shall include a statement outlining the program to be followed while on sabbatical leave, indicating any prospective income, stating that the applicant will continue as an academic employee for a minimum of one year upon the employee's return and stating that upon return the applicant will submit to the College President a detailed report of professional activities and accomplishments while on sabbatical leave.

f. Approval. Consistent with the provisions of subdivision (d), the College President may approve such sabbatical leave as the College President deems appropriate and such leave shall be reported to the Chancellor.

The College President may recommend to the Chancellor other leaves of absence for employees at full salary or reduced salary, or may grant employees leaves of absence without salary, for the purpose of professional development, acceptance of assignments of limited duration with other universities and colleges, governmental agencies, foreign nations, private foundations, corporations and similar agencies, as a faculty member, expert, consultant or in a similar capacity, or for other appropriate purposes consistent with the needs and interests of the University. Leave of absence without salary may also be granted under appropriate circumstances for the purpose of child care. Leaves of absence at full or reduced salary pursuant to provisions of this Section shall be subject to the approval of the Chancellor.

2. Application. Applications for such leaves of absence shall be made to the College President. Each such application shall include a statement of the purpose for which the leave is requested, its anticipated duration and its value to the applicant and the University.

3. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during a period of leave pursuant to provisions of this Section.

of assignments of limited duration with other universities and colleges, governmental agencies, foreign nations, private foundations, corporations and similar agencies, as a faculty member, expert, consultant or in a similar capacity, or for other appropriate purposes consistent with the needs and interests of the University. Leaves of absence without salary may also be granted under appropriate circumstances for the purpose of child care. Leaves of absence at full or reduced salary pursuant to provisions of this Section shall be subject to the approval of the Chancellor.

2. Application. Applications for such leaves of absence shall be made to the College President. Each such application shall include a statement of the purpose for which the leave is requested, its anticipated duration and its value to the applicant and the University.

3. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during a period of leave pursuant to provisions of this Section.

§ 23.8 Disability Leave

a. Upon being discontinued from service in accordance with provisions of the State University Group Disability Insurance Program, an employee shall be granted a leave without pay for disability and shall be continued on such leave without pay until the disability ceases, the employee reaches age 65, or death, whichever event occurs first. For purposes of the State University Group Disability Insurance Program, the College President may require an employee to be examined by a physician selected by the College at its expense. Determination that a disability exists may be made by the College President upon the advice of the College's examining physician. Notwithstanding the

failure of an employee to cooperate with the College's examining physician, a determination that a disability exists may be made by the College President upon advice of the College's examining physician that there are reasonable grounds to assume that a disability benefit would be payable in accordance with the State University Group Disability Insurance Program. If the College President determines, in accordance with the provisions of this Section, that a disability exists, the employee must apply for disability benefits under the State University Group Disability Insurance Program. In the event the employee does not apply for disability benefits, the employee shall be placed on disability leave without pay. If, upon a finding that an employee is not disabled, the disability insurance carrier disapproves an employee's application for benefits, the employee shall be restored to regular employment status.

b. Discontinuation from Service of Employees not covered by the State University Group Disability Insurance Program. Upon being discontinued from service as a result of a disability which prevents performance of his/her duties, an employee shall be granted a leave without pay until the disability ceases, the employee reaches age 65, or death, whichever event occurs first. For purposes of determining the existence of such a disability, the College President may require an employee to be examined by a physician selected by the College at its expense. Determination that a disability exists may be made by the College President upon the advice of the College's examining physician. Notwithstanding the failure of an employee to cooperate with the College's examining physician, a determination that a disability exists may be made by the College President upon advice of the

College's examining physician that there are reasonable grounds to assume that a disability exists which would prevent an employee from performing the employee's duties. If the College President determines, in accordance with the provisions of this Section, that such a disability exists, the employee shall be placed on a disability leave without pay. Where appropriate, the College President, after consulting with the College's examining physician, may refer the employee to an Employee Assistance Program or to other service agencies. The employee, however, shall be permitted to use any and all sick leave credits which have been accumulated pursuant to subdivisions (a) or (b), and (c) of Section 23.4; and may request additional sick leave pursuant to subdivision (f) of Section 23.4. An employee who has been placed on disability leave without pay pursuant to this section may subsequently request to be restored to regular employment status. Such request must be submitted in writing to the College President accompanied by suitable medical evidence from the employee's physician that the employee no longer has a disability which would prevent performance of his/her duties. Following receipt of such submissions, the College President may require the employee to be examined by a physician selected by the College at its expense prior to making a determination whether to restore the employee to regular employment status. Upon a finding by the College's examining physician that the employee no longer has a disability which would prevent performance of his/her duties, the employee shall be restored to regular employment status. Upon a finding by the College's examining physician that the employee continues to have a disability which prevents performance of his/her duties, the College President may require the

employee to be examined by a physician from the New York State Department of Civil Service Employee Health Service at the College's expense prior to making a determination whether to restore the employee to regular employment status. The determination of whether to restore the employment status may be made by the College President upon the advice of the physician from the Employee Health Service concerning the existence of a disability which would prevent the employee from performing his/her duties.

§ 23.9 Attendance Records

a. Employees shall be required to certify their presence and record any absences on forms to be provided by the State. Employees shall also be required to record on such forms any charges to or accruals of vacation or sick leave credits. Such forms shall be submitted to the College President, or designee, for review on a monthly basis.

b. A labor-management committee consisting of two representatives appointed by the State and two representatives appointed by UUP shall be created to develop an attendance reporting system with uniform content for use as provided in this Section. The committee shall complete development of the system not later than 30 calendar days after its formation and shall submit it to the State and UUP for approval. Use of the reporting system shall commence at the beginning of the semester immediately following approval by the State and UUP.

§ 23.10 Unauthorized Absence

a. Any employee absent from work without authorization shall be placed on leave without pay. In the event an employee's unauthorized absence con-

tinues for ten consecutive work days and the employee has not provided a written explanation for such absence to the College President by the close of business of the tenth workday following the commencement of such unauthorized absence, the employee's leave without pay status shall continue for the remainder of the semester in effect on the tenth consecutive workday of absence where the College has hired a replacement for the employee.

b. If the unauthorized absence without written explanation continues for a total of 30 consecutive workdays the employee shall be deemed to have resigned.

c. If, prior to being deemed to have resigned, an employee provides suitable medical evidence in accordance with Section 23.4(e)(3) of this Article which substantiates a claim of temporary disability the employee may be placed on sick leave. Any sick leave under this subdivision shall commence upon substantiation of a claim of temporary disability by suitable medical evidence.

§ 23.11 Absence — Extraordinary Circumstances

a. An employee who has reported for work and, because of extraordinary circumstances beyond the employee's control, for example, extreme weather conditions or physical plant breakdown, is directed by the College President, or designee, to leave work, shall not be required to charge such directed absence during such day against leave accruals. Any such release of employees shall not create any right to equivalent time off by employees who are not directed to leave work.

§ 23.12 Limitations

a. **Term Appointments.** Nothing contained herein shall be deemed to extend the term of appointment of employees, and all leaves of absence shall, in any event, terminate upon the expiration of such appointment.

ARTICLE 24

Access To Employees

§ 24.1 UUP representatives shall, on an exclusive basis, have access to employees at a College during working and/or non-working hours to explain UUP membership, services, programs and activities. UUP agrees that access under this Article shall not interfere with College operations or performance by employees of their duties and responsibilities.

ARTICLE 25

Compensation of Department Chairpersons

a. The stipend may not exceed 10 percent of basic annual salary when paid for duties as department

chairperson during the term of professional obligation. Payment of such stipend precludes extra service during the term of professional obligation.

b. A further stipend, not to exceed 10 percent of basic annual salary, may be paid to faculty having academic year professional obligations for duties as department chairperson which are performed solely during the summer after completion of the academic year professional obligation. Payment of such stipend precludes other summer employment within the University.

c. A combination of stipends under paragraphs (a) and (b) shall not exceed 20 percent of basic annual salary.

d. The stipend shall not be added to basic annual salary. The stipend shall be removed upon termination of the employee's designation as department chairperson, whose salary thereafter shall be at the rate due as a regular member of the academic staff.

§ 25.2 Members of the academic staff designated as department chairperson who do not receive a stipend for duties and responsibilities of that function may perform extra service and may be employed during the summer under the usual rules and procedures applicable to such employment.

§ 25.3 The provisions of Section 25.1 pertaining to stipends shall not apply to employees in the medical and dental schools of University medical centers or health sciences centers whose budget certificate titles are "Professor and Department Chairman"; provided, however, the provisions of such Section pertaining to extra service and summer employment shall apply.

ARTICLE 26

Jury Service

members appointed by the campus president and five members appointed by the local UUP chapter president. Each committee shall be charged with developing a clinical practice management plan which shall be consistent with the requirements contained in Section 4 of the Trustees' Article.

§ 29.2 Within 50 days following its establishment each committee shall submit to the Chancellor a clinical practice management plan for a determination as to whether the plan is consistent with the requirements of Section 4 of the Trustees' Article.

§ 29.3 Within 15 working days following receipt of a plan, the Chancellor shall determine whether it is consistent with the requirements of Section 4 of the Trustees' Article. Any plan which is determined by the Chancellor to be consistent with the requirements of Section 4 of the Trustees' Article shall be submitted to the State and the United University Professions ("UUP") for a determination, pursuant to this Article, whether the plan is consistent with the requirements of Section 4 of the Trustees' Article.

§ 29.4 Any plan which is determined by the Chancellor to be inconsistent with the requirements of Section 4 of the Trustees' Article shall be returned within 15 working days of his/her receipt of such plan to the labor-management committee which prepared the plan with recommendations as to how the plan can be made consistent with Section 4 of the Trustees' Article.

pursuant to Section 1 of this Article is inconsistent with Section 4 of the Trustees' Article, that labor-management committee shall make the plan consistent with Section 4 of the Trustees' Article and resubmit the plan to the Chancellor for reconsideration. Within the time frame specified in this section and upon request of the labor-management committee, the Chancellor, or designee, shall meet with the committee in an effort to reconcile differences.

§ 29.6 If a labor-management committee required by Section 1 of this Article is not established or convened or if a plan for the management of clinical practice income is not submitted to the Chancellor as required by Section 2 of this Article, the Chancellor shall, within 115 days of the effective date of the Trustees' Article, develop for that school or college involved a clinical practice plan that is consistent with the requirements of Section 4 of the Trustees' Article and shall submit this plan to the State and UUP for a determination, pursuant to this Article, whether the plan is consistent with the requirements of Section 4 of the Trustees' Article.

§ 29.7 In the event a plan is returned to a labor-management committee as provided for in Section 4 of this Article and if the rejected plan is not returned to the Chancellor as provided for in Section 5 of this Article or if the plan is returned but for a second time is determined by the Chancellor to be inconsistent with the requirements of Section 4 of the Trustees' Article, the Chancellor shall develop for the school or college involved a clinical practice plan that is consistent with the requirements of Section 4 of the Trustees' Article. Within 150 days of the effective

date of the adoption of the Trustees' Article, the Chancellor's plan shall be submitted to the State and UUP for a determination, pursuant to this Article, whether the plan is consistent with the requirements of Section 4 of the Trustees' Article.

§ 29.8 The State and UUP shall review clinical practice management plans submitted by the Chancellor and determine whether such plans are consistent with the requirements contained in Section 4 of the Trustees' Article. Such determination shall be made within 30 days after receipt of the plans. Any plan which is determined to be consistent with the requirements shall be returned to the Chancellor for implementation.

§ 29.9

a. If the State or UUP or both determine that any clinical practice plan submitted by the Chancellor is not consistent with the requirements contained in Section 4 of the Trustees' Article such plan shall be submitted to arbitration as provided in this Section within 15 days of such determination.

b. Within 90 days of the effective date of this Agreement the State and UUP shall select, by mutual agreement, one arbitrator who shall be the exclusive arbitrator for matters submitted to arbitration under this Article. The arbitrator shall hold a hearing in Albany, unless the State and UUP waive a hearing, within 15 days of his/her receipt of a plan submitted for arbitration. The arbitrator shall determine whether any plan submitted to him/her is consistent with the requirements of Section 4 of the Trustees' Article. Any plan which the arbitrator determines to be consistent with such requirements shall be returned to the Chancellor for implementation. Any plan which the arbitrator deter-

mines to be inconsistent with such requirements shall be made consistent by the arbitrator and returned to the Chancellor for implementation. The arbitrator's decision concerning any plan shall be made within 30 days of a hearing or, if no hearing is held, within 30 days of his/her receipt of the plan. The authority of the arbitrator shall not be as specified in Section 7.7(b) of this Agreement. The authority of the arbitrator shall be only as specified in this paragraph, and the arbitrator shall have no other authority under this Agreement.

c. The decision of the arbitrator shall be final and binding upon the State, UUP and the Chancellor to the extent permitted by provisions of this Agreement and applicable law.

d. All fees and expenses of the arbitrator shall be divided equally between the State and UUP. Each party shall be responsible for the cost of preparing and presenting its own case.

Upon the execution of the 1982-85 Agreement, the strict full-time academic salary schedule applicable to the Health Sciences Center at the State University of New York at Stony Brook shall terminate and shall be replaced by the geographic full-time academic salary schedule. Except as provided below the basic annual salaries of medical and dental faculty shall not exceed the maxima for their ranks. Upon the execution of the Agreement the chief administrative officer of SUNY Stony Brook shall identify each employee who is required or permitted to be a member of a plan for the management of clinical practice and whose basic annual salary is above the geographic full-time maximum for his/her rank. During the first two years of this Agreement, the basic annual salary of these employees will not be reduced to the maxima solely due to such maxima having been exceeded. Such individuals shall not be entitled to increases in basic annual salary at any time when their salaries are above the geographic full-time salary maxima for their ranks. After the two years, the then current geographic full-time academic salary schedule shall apply to all medical and dental faculty at the State University of New York at Stony Brook and maxima for rank shall not be exceeded.

Notwithstanding the termination of the strict full-time academic salary schedule and the creation of a clinical practice management plan as provided in this Article and the Trustees' Article, the financial obligations of the April 9, 1979 Interim Clinical Practice Management Plan of the State University of New York Stony Brook School of Medicine to the State shall continue to be an obligation of any successor clinical practice management plan of the Stony Brook Medical School and shall be fully paid

during the term of this Agreement pursuant to a schedule, subject to approval by the State Director of the Budget and the Chancellor, which shall be made a part of any clinical practice management plan applicable to the Stony Brook Medical School.

Applications submitted by employees entitled to reemployment rights pursuant to this Section will be acted upon before applications submitted by other persons except those entitled to the benefits of Section 35.6 of this Article. To obtain such action the employee must specify in the application that the application is being submitted in accordance with the provisions of this Section.

§ 35.8 Employees whose services are terminated as a result of retrenchment shall continue to be covered by the State Health Insurance Plan for a period not to exceed one year as provided in 3 NYCRR 73.2(a)(3)(ii).

§ 35.9

a. A single Statewide Continuity of Employment Fund shall be established which shall be administered by a statewide committee consisting of four representatives appointed by the State, four representatives appointed by UUP and one impartial chair who shall be selected by the parties.

b. The Committee shall:

1. Study employee displacement problems arising from economy RIF's, programmatic reductions and curtailments, close downs, relocations, reallocation of resources, consolidations and technological changes, relating to employees in the Professional Services Negotiating Unit.

2. Make recommendations for the solution of these problems, including but not limited to the use of

normal and induced attrition, sharing available State job opportunities, transition to work in the labor market beyond State employment, placement within State employment, and the training or retraining of retrenched or high risk employees for other employment. Specifically, retraining funds will be available to employees whose services have been terminated due to retrenchment or who have been notified that their services will be terminated due to retrenchment and to those employees that the committee may deem to be in high risk categories. To administer the retraining funds, the Committee shall develop procedures within 90 days following the execution of the Agreement and shall submit the procedures to the State and UUP for review and approval. Upon their approval the procedures shall be promulgated to employees. In addition, the Committee shall study and make recommendations to the Director of the Office of Employee Relations and the President of the United University Professions concerning the feasibility of providing Article 35.7 rights to academic employees.

c. Recommendations made by the Committee will not be binding on either the State or UUP, although they may form the basis for future negotiations and such agreements as the parties may enter into.

d. The State shall prepare, secure introduction and recommend passage of legislation in the amount of \$500,000 for each year of this Agreement for expenditure in the Continuity of Employment Fund in accordance with the above-stated purposes in each year of the Agreement. The unexpended portion of any year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

b. Employees must meet course prerequisites;

c. All fees other than tuition shall be paid by employees;

d. Employees may enroll in a maximum of one course per semester and special session, for example, summer session and intersession;

f. The program shall continue for the term of the Agreement.

ARTICLE 37

Retirement Income Supplementation Programs

§ 37.1 The TIAA-CREF supplemental retirement annuity program which is currently available to State University managerial employees shall continue to be made available to employees.

§ 37.2 An additional annuity contract may be provided through United University Professions pursuant to 28 United States Code, §403(b) from any “financial organization” [as defined in State Finance Law, §201.6(a)] in which employees may participate by voluntary payroll deductions to be transmitted directly to the financial organization by the State Comptroller.

§ 37.3 An individual retirement account plan may be provided, through United University Professions, by a “financial organization” (as defined in State Finance Law, §201.6) pursuant to the Economic Recovery Tax Act of 1981 (P.L. 97-34) in which employees may participate by voluntary payroll deductions.

ARTICLE 38

Parking

§ 38.1 The status quo with respect to parking fees shall be continued subject to the results of reopened negotiations as provided for in Section 38.3 of this Article.

§ 38.2 UUP recognizes that the State may modify existing parking facilities for purposes including, but not limited to, construction of new buildings, roadways or other improvements. In the event that existing parking is impacted by such modifications, the State and UUP shall meet to consider alternatives for such parking. Such consideration shall include the issues of transportation to and from parking areas and parking for the handicapped.

§ 38.3 During the term of this Agreement the State shall have the right to reopen negotiations on demand with respect to the total issue of parking.

ARTICLE 39

Health and Dental Insurance

§ 39.1 The State shall continue to provide all the forms and extent of coverage as defined by health insurance contracts in force on June 30, 1982 with the State's health insurance carriers unless specifically modified by this agreement.

ARTICLE 40

Employee Benefit Fund

§ 40.1 At the outcome of health insurance discussions provided for in Article 41, the State and UUP agree that they will enter into a contract to provide for the phased implementation of an Employee Benefit Fund, in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be established by UUP to provide certain health and welfare benefits for employees.

§ 40.2 The State agrees that the phase-in of the Employee Benefit Fund will be accomplished by July 1, 1984. The Joint Committee on Health Benefits, established pursuant to Article 41 of the Agreement, will make recommendations to the State and UUP with respect to the method by which the Benefit Fund will be phased-in and funded.

ARTICLE 41

Joint Committee on Health Benefits

§ 41.1 The State and UUP agree to establish a Joint Committee on Health Benefits. The Committee shall consist of at least three representatives appointed

§ 41.2 The Joint Committee shall work with appropriate State agencies in a review and oversight capacity. The Committee's areas to review and counsel may include, but are not limited to:

a. Examination of the cost/benefit of establishing a Mandatory Second Surgical Opinion Program for potential inclusion under the State's Health Insurance Program during the life of this Agreement;

b. Establishment of quarterly reporting requirements for all carriers providing health benefit coverage;

c. Analysis of appropriate claims and experience data on a quarterly basis with a particular concern for identifying and forestalling emerging inflationary increases in cost;

d. Investigation of alternative methods of financing premium payment, including but not limited to, coordination with benefits afforded by and contributions made to the benefit fund established pursuant to Article 40 of this Agreement, to minimize expense for both the State and employees covered by the Plan;

e. Development of Health Benefit Communication Programs related to the consumption of health care services provided under the plan;

f. Development of appropriate Health Insurance Training Programs for Campus Personnel Offices;

g. Development, in conjunction with the carriers, of descriptive literature and claim forms;

h. The study of recurring subscriber complaints and recommendations for the resolution of those complaints.

§ 41.3 The State shall not be responsible for absorbing increases in the cost of the Plan after July 1, 1982. The Joint Committee will monitor the cost experience of the Plan continued by Article 39 of this Agreement and shall, if necessary:

a. Direct adjustments by the Statewide Plan carriers to benefits, deductible amounts and/or co-payment amounts prior to November 1, 1982 to offset further cost increases in the Plan. As necessary, the Joint Committee shall direct such carriers to make adjustments of the nature described above at regular intervals thereafter;

b. Adjust the employees' share of the premium;

c. Place a monetary limit on the amount of the State's contribution; and/or

d. Make recommendations with respect to State contributions to the Employee Benefit Fund established by Article 40 of this Agreement.

§ 41.4 The State agrees that there will be an improved dental plan for members of the Professional Services Negotiating Unit comparable to the dental benefits provided by the Public Employees Federation, through its Benefit Fund, to employees in the Professional, Scientific and Technical Unit at the outcome of discussions on the total health insurance package provided pursuant to Articles 39, 40 and 41 of this Agreement.

§ 41.5 The State shall submit legislation to appropriate the necessary funds to carry out the administrative responsibilities of the Joint Committee.

ARTICLE 42

Professional Development and Quality of Working Life Committee

§ 42.1 For the term of this Agreement there shall be a Statewide Professional Development and Quality of Working Life Committee consisting of three representatives appointed by the State, three representatives appointed by UUP, and an impartial Chairperson who shall be selected by the parties.

§ 42.2 The Committee shall:

a. Review, make recommendations and implement programs for professional development and training programs which will improve job performance and assist employees in developing their full professional potential and in preparing for advancement.

b. Review, recommended programs and implement programs intended to enhance the quality of work life for employees in this unit, including but not limited to such areas as Employee Assistance Programs and day care.

c. Administer a Professional Development and Quality of Working Life Fund, such fund to be provided by the State in the amount of \$500,000 in each year of the Agreement. One Hundred Fifty Thousand (\$150,000) dollars of the first year's appropriation shall be earmarked to be used during the life of the Agreement to provide study leaves for librarians in order that they may enhance their job performance by improving their skills. The unexpended portion of any year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

ARTICLE 43

Safety and Health Committee

§ 43.1 A joint State-UUP Safety and Health Committee shall be established consisting of three members appointed by the State and three members appointed by UUP to identify and review safety-related issues affecting employees and to recommend plans for the correction of such matters.

§ 43.2 All matters relating to safety and health shall also be considered appropriate matters for discussion and recommended resolution consistent with the Agreement by campus and university level labor-management committees. A labor-management committee or the State/UUP Safety and Health Committee considering a safety issue may refer the matter in whole or in part to a labor-management committee at any level or the State/UUP Safety and Health Committee for assistance in resolving the matter.

ARTICLE 44

Promotion and Classification Study

§ 44.1 a. The State shall meet and confer with UUP concerning a promotion and classification study of the professional positions in the Professional Services Negotiating Unit which the State shall undertake during the term of the Agreement. The study will identify classification and/or promotion changes which may be necessary to reflect:

1. The desirability of establishing career advancement opportunities for highly qualified and experienced professional employees;

2. Changes in salary relationships among relevant occupational categories in the private sector and elsewhere in the public sector;

3. Existing recruitment/retention difficulties.

b. In addition, the study shall examine the salary relationships and PR grades of comparable positions on similar campuses.

c. The State shall appropriate \$100,000 for the purposes of conducting such study.

d. Specifically, the State shall meet and confer with UUP concerning the scope of the study, the manner in which the study is conducted, the selection of a consultant who will complete the study, and other related matters. The results of the study will be shared with UUP.

ARTICLE 45

Professional Employees Promotion Study Committee

§ 45.1 A study committee consisting of four representatives appointed by the State and four representatives appointed by UUP shall be created to make recommendations with respect to matters involving promotion of professional employees. Their recommendations shall be submitted to the State and UUP for review and labor-management discussions. The State shall prepare, secure introduction and recommend passage of legislation in the amount of \$20,000 in the first year of the Agreement for expenditure by the Promotion Study Committee in accordance with the above-stated purposes. The unexpended portion of the first year's appropriation shall be carried over into the succeeding year.

ARTICLE 46

Savings Clause

§ 46.1 In the event that any article, section or portion of this Agreement is found to be invalid or unenforceable by a final decision of a tribunal of competent jurisdiction or shall be in conflict with a national policy of wages and prices or shall have the effect of a loss to the State of funds or property or services made available through Federal law then such specific article, section or portion specified in such decision or which is in such conflict or having such effect shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. In such an event either party shall have the right to immediately reopen negotiations with respect to the article, section or portion of this Agreement involved. The parties agree to use their best efforts to avoid any situation which might threaten such loss, and to contest any action which might result in such a loss to the State.

ARTICLE 47

Management Rights

§ 47.1 Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the State are retained by it.

ARTICLE 48

Conclusion of Collective Negotiations

§ 48.1 This Agreement is the entire agreement between the State and UUP, terminates all prior

agreements and understandings and concludes all collective negotiations during its term, except as expressly otherwise provided in this Agreement. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. Where reopened negotiations are provided for, the subject of such reopened negotiations shall be solely limited to the subjects specified and all other provisions of this Agreement shall remain in full force and effect during the course of such reopened negotiations.

ARTICLE 49

Legislative Action

§ 49.1 IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE 50

Duration

§ 50.1 The term of this Agreement shall be from July 1, 1982 to June 30, 1985.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective representatives on December 29, 1982.

Dear Dr. Drescher:

This will confirm that in the negotiations for the 1982-85 collective agreement on the subject of parking the State made the commitment that, subject to the results of reopened negotiations, existing free employee parking would not be converted to paid employee parking in the future.

In addition, both parties recognized that certain modifications to parking areas were currently in progress at several State University institutions and that neither the new collective agreement nor the State's commitment respecting parking described in this letter would affect those modifications.

The parties recognized further, however, that to the extent modifications in progress impacted current

parking UUP would have the right to meet with representatives of the State to discuss alternatives to limit that impact, and that such issues as transportation and parking for the handicapped would be appropriate for such discussions.

Dr. Nuala McGann Drescher, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Drescher:

This is to confirm our mutual understanding that Step 2 contract grievances will be handled regionally for one year on an experimental basis. There will be three regions: New York City, Albany and a site in the western part of the State which will be either Buffalo or Syracuse. Three of these regions will be visited each month by a Step 2 hearing officer if the case load warrants. If there are fewer than three grievances in a region each month, the cases will be heard in Albany that month. Grievances will be stacked so that only one trip a month will be made to

each of the three regions. The specific procedures for administering the regionalized system, including scheduling hearings, will be worked out by SUNY Central Administration and UUP. The experiment will be evaluated after one year by the State and UUP and will continue only if both parties agree to continue the experiment.

As a part of this experiment, the time limits for filing an appeal to Step 3 of the contract grievance procedure will be increased by 20 working days. In addition, we have attached a listing of which campuses will be assigned to the given regions.

Sincerely,

s/Meyer S. Frucher

Dear Dr. Drescher:

This will confirm our mutual understanding that data provided to UUP by either the State or a College

President or designee pursuant to Article 16 and 17 of the Agreement shall be in computer-readable form if it exists in that format and if it is requested in that format by UUP.

APPENDIX A-12

December 29, 1982

Dr. Nuala McGann Drescher, President

United University Professions

159 Wolf Road

Albany, New York 12205

Dear Dr. Drescher:

This is to confirm our understanding that the

attached State policy entitled "Leave for Pregnancy, Childbirth and Childcare" is applicable to members of the Professional Services Negotiating Unit.

Sincerely,

s/Meyer S. Frucher

**Leave for Pregnancy, Childbirth and Child Care
Professional Services
Negotiating Unit**

Pregnant employees may be asked or encouraged to report the existence of pregnancy, but they may not be required to do so. Where, in the opinion of the Chief Administrative Officer or designee, the nature of the duties performed may be particularly hazardous or burdensome during pregnancy, this should be pointed out in the letter of appointment and such employees should be urged to advise their supervisors of any pregnancy. In any case where the Chief Administrative Officer or designee believes the employee is unable to perform the duties of the position because of pregnancy, the employee may be required to undergo a medical examination, at the expense of the campus, by a physician designated by the campus. A pregnant employee who is determined to be medically disabled from the performance of job duties must be treated the same as any other employee similarly disabled insofar as disability leave benefits are concerned.

Sick leave may be used only during a period of medical disability. Under this policy, disabilities arising from pregnancy or childbirth are treated the same as other disabilities in terms of eligibility for or entitlement to sick leave with and/or without pay and

extended sick leave. Generally, the period of such disability is deemed to commence approximately four weeks prior to delivery and to continue for six weeks following delivery. While doctor's certificates may be required for any period of disability, campuses should request detailed medical documentation whenever disability is claimed to commence prior to or to extend beyond the period of disability described above.

A Chief Administrative Officer or designee may approve an employee's request for leave without pay during pregnancy and prior to the onset of any medical disability as a matter of discretion. Absences during pregnancy and following childbirth may be charged to vacation, irrespective of whether the employee is disabled. While the use of annual leave prior to the onset of medical disability is discretionary with the Chief Administrative Officer, employees must be permitted to use these accruals during a period of medical disability after sick leave with pay has been exhausted.

Employees, regardless of sex, are entitled to leave without pay for child care for up to seven months following the date of delivery.¹ For purposes of computing the seven month period of mandatory leave, periods during which the employee was absent for "disability" or use of leave credits are included: the mandatory seven month period is not extended by the granting of disability leave or the use of accrued leave. During a period of leave for child care employees shall be permitted, upon request, to use annual leave before being granted leave without pay. As is the case with other mandatory leaves without pay (e.g., military leave), the University shall not require that employees exhaust all appropriate leave

credits prior to being granted leave without pay for child care. Sick leave may be used only during a period of medical disability. Except in the case of continuing medical disability, any leave of absence beyond the seventh month following childbirth shall be at the discretion of the Chief Administrative Officer. An employee who requests a leave for child care of less than seven months is entitled to have such leave extended, upon request, up to the seven month maximum and may at the discretion of the Chief Administrative Officer or designee, have such leave extended beyond the seventh month. In certain situations, an employee may not be permitted to return from such leave until the expiration of the period that such employee requested and was granted. Generally, such restrictions on early return are limited to situations where such return would be disruptive of a project or where the termination of a replacement would occur.

During the seven month period following childbirth, the granting of leave for child care is mandatory upon request from either parent. If both parents are State employees, leave for child care is mandatory for one parent at a time and the parents may elect to split the mandatory seven month leave into two separate blocks of leave with each parent entitled to one continuous period of leave but not to exceed a combined total of seven months of leave and not to extend beyond seven months from the date of delivery.

Campuses may, in their discretion, approve other arrangements for shared leave including concurrent leave and may, as a matter of discretion, extend leave for child care beyond the mandatory seven months. Furthermore, while one parent is absent on leave for

child care, campuses continue to have the discretion to approve requests from the other parent for periods of vacation, pursuant to Paragraph 23.4(d) (4) of the 1982-83 Agreement between the State of New York and United University Professions.

Temporary and probationary employees without any permanent status are entitled to leave with full pay and/or without pay as described above. However, these employees are not eligible for leave beyond that date when their employment would otherwise terminate. In general, the State's policy on leave for pregnancy, childbirth and child care shall not be construed to require extension of any employment beyond the time it would otherwise terminate.

¹ In cases of legal adoption under Article 7 of the Domestic Relations Law leave for child-rearing purposes shall be granted where the adoptive child is required to reside with the adoptive parents for at least six months prior to an order of adoption being made. In such cases leave for child-rearing purposes shall be granted for six months commencing from the date the adoptive child begins actual full-time residence with the adoptive parents. Additional leave for child-rearing purposes may be granted in the discretion of the Chief Administrative Officer; provided, however, child-rearing leave shall not exceed a period of two years cumulatively.

APPENDIX A-17

The procedural steps of the Policies of the Board of Trustees regarding evaluation of professional employees are as follows:

“Section 4 — Evaluation

(a) Each professional employee in the Professional Services Negotiating Unit shall have his performance evaluated by his immediate supervisor formally, in writing, once each year during the term of appointment and as changing conditions warrant, except where the employee is serving his final year in the University following notice of nonrenewal. Such evaluation shall be based on a performance program determined by the immediate supervisor after consultation with the employee, a copy of which shall be given to the employee.

(b) Performance shall be characterized, in summary, as either satisfactory or unsatisfactory. A professional employee whose performance is characterized as “unsatisfactory” in a written report resulting from a formal evaluation may seek review of such report by the appropriate professional staff committee established for such purpose.”
