

DOCUMENT WORK LIST

As Toll became President, he appointed committee to work over summer (Pond, Gelber etc.) to create planning document for the future of the University. When Gould became Chancellor, we were first institution to have a plan ready.

Sidney Tickton from Albany came to campus in order to get input for his master plan for the University system. What was final form of Master Plan from campus; as well as correspondence with Gould?

Report by Pond on campus in relation to regional development.

Report using dorm as part of change to undergraduate curriculum (Gelber, Goodman, Trask).

'67-'69 report by students on all professors: Faculty Evaluation by students.

Toll: change in organizational structure: EVP, VPLS and creation of Provosts ('67). [Frank Palmer]

Copies of all old catalogs from every year.

Middle States Report and Response ('73).

HSC: Schmidt's files
Pellegrino's files
