To Whom It May Concern:

I am pleased to write this letter in support of Mr. Lawrence Noonan's application to your Business Program at Dowling College.

I have known Mr. Noonan ever since he came to Stony Brook and have worked closely with him over the years, particularly during my tenure as Provost and Academic Vice President. Without a doubt, Mr. Noonan is one of the most gifted and talented individuals I have ever encountered in dealing with matters of financial administration, business matters and budgetary concerns. Many throughout the University are beholden to Mr. Noonan's work and efforts over the years.

Without a question, I anticipate that he would prove to be a major asset to your program and its faculty and students.

Sincerely yours,

Sidney Gelber
Provost Emeritus
