SPECULA YEARBOOK 1996

In case you haven't already guessed, we really had a fun time with this year's book. But clearly, the success of the 1996 yearbook could not be possible without these very special people:

Lorelei "Chuck pineapple on it and call it 'Hawaiian'" **Decena** -

Thanks for all of your support and hard work. Stay away from black luxury sedans, okay?

Christine "Mario rules Luigi's dead!" **Drumm** -

Thanks for the Taco Bell runs and helping me to cook during our weekly "Layouts from Hell and Beyond" sessions. Keep up with the Pig Latin.

Angela "Mad Cow Disease" **Hammarth** -

You remind me of the Energizer bunny when it comes to this yearbook (censored)-. "It keeps going, and going, and going, and going . . ." Thanks for giving me a "trial by fire" as my induction as an Editor. I wouldn't have learned to do the job any other way. Keep the faith.

Alan "What did you do, raid Barry Manilow's closet?" **Kaplan** -

You were such a social butterfly, yet you had time to help out with the yearbook. Thanks for the photos . . . the good ones, anyway. -just kidding- Seriously though, you were a great help. :-)

Lana "Rated 'G'" **Lee** -

Ahhh . . . how could you put up with me? But even dictators need loyal allies, I guess. Thanks for taking everything I say with a grain of salt.

Melanie "It's Electric, Boogie Woogie Woogie" **Selwyn** -

Thanks for all of your help with the photos and participating in the bloody, grueling marathon of completing as many page layouts humanly possible in one Friday afternoon. Wee! Wee!

Umar "I gotta call my mom, NOW!" **Sherwani** -

Thanks a lot for listening to me and for all of your advice. You're right, this place really is like a cult. If it wasn't for you, this yearbook would have never been finished. By the way, you still owe us money!

Amy "Sockhead" **Sokolow** -

You and Umar are two of a kind. Thanks so much for your understanding and patience. All this couldn't have been possible without your help and good counsel. Good luck in Hofstra. We'll miss you a lot!

Tim "Wow! There's a party in my pants and everyone's invited!" **Truc** -

I know why you're on SBVAC now, you really are a life-saver. Thanks for helping me out with everything. I really do appreciate it.

THE LAST WORD!!!

OUR UTMOST GRATITUDE ALSO GOES OUT TO:

Carl Miller of Jostens Plant and Publishing, Norman Prusslin of USB Student Media, Christine Grilli and Carlos Ramos of Empire Photography Studios, Mary Shear of Polity along with Irene Agostino and Carol Grubel, Carol Friedman and Millie Thurston of Student Union & Activities, our fellow colleagues in the Student Media wing of the Union, Kris Doorey and Greg Economou of USB Athletics Department, Frank Noto for his terrific work on page layouts, Helen Wong for her contributions as photographer and work on the Senior Portrait sign up weeks; Buci Cheung, Yasmine Khan, Maryum Khwaja and Muilina Ng for their great photo contributions . . .

**AND LAST BUT
CERTAINLY NOT
LEAST, WE WOULD LIKE
TO CONGRATULATE THE
ENTIRE CLASS
OF 1996. FOR WITHOUT
THEM, WE
WOULD BE OUT OF
BUSINESS.**

SHIRLEY STRUM KENNY, PRESIDENT

Commencement Message

Congratulations to all our graduates!

You have had the responsibility of shaping your education and choosing your life's work. You have discovered a lot about facts and figures and people. You have had your share of triumphs, and I suspect you have learned something about fortitude. I hope you have experienced joy. Now your days at Stony Brook are over. You are setting forth on the next leg of your life's adventure. We wish you only the best.

I am optimistic that undergraduates have learned, along with calculus and Shakespeare and periodic tables, to connect with others, to cooperate, to work together for shared goals. Graduate students have learned that your profession, whatever you have chosen, will serve you well only if you serve others well.

Commencement is a very special time not only for you but for Stony Brook. It is the time when we know the importance of what we do because we realize the impact that you—our graduates—will have on the future. May your next journey be a joyful one. We hope you will continue to thrive, prosper, and grow.

Shirley Strum Kenny, President
University at Stony Brook
