MEMORANDUM

To Norm Prusslin, Eric Corley, WUSB/FM

From Alvin F. Oickle

Subject "SUNY Side Up"

Date March 5, 1982

Here's the March schedule:

- March 3 - Winter sports roundup: Coaches Weeden, Hovey, Lamoureux, DeMarie, Alexander and Snider; Athletic Director Ramsey.
- March 10 - Bruce Bawer, English Department - on teachers and parents, and their roles in preparing students for college.
- March 17 - Johannes Hardorp, ESS, with recordings from The Stellar Consort.
- 3/24 - ~~L. RACER~~
March 24 - John C. Partin, Pediatrics, on Pediatrics, Infirmary, and infant/adolescents/young adults' health.
- March 31 - ~~Carolyn Brown, Africana Studies, on student internships in the Caribbean.~~

I have lined up most of the other subjects to get through the semester (and my obligation to SUNY Side Up.)

For planning purposes, Barbara Gore Suter has asked to have two of the remaining slots, and I am working around May 5 and May 26. That last one, especially, should be hers because, I expect, it will be the last one of the semester and using it will give her an opportunity to say hello and goodbye, and advise her listeners about her future plans for SUNY Side Up. She will be back on campus about April 1 and we will work out the dates then.
