SUNY SIDE UP - March 3, 1982

The theme song is "Sunny Side UP"; this is the WUSB program, "SUNY Side Up."

And today, the entire program will be devoted to the varsity sports teams at the State University of New York at Stony Brook.

Hi, everybody. This is Al Oickle. And I'm not too reserved to tell you that this program is being given over to sports, a rather unusual item on our more usual fare, because of the impressive student athletes here at Stony Brook. The winter season is just now finishing up, and Stony Brook has had one of the very best all-around/records in its history.

I've spent some time this week talking with the coaches and athletic directors, especially those whose seasons ended this weekend with state and regional championships. Over the next 28 minutes, you will be hearing them report on the winter sports season, here at Stony Brook.

We'll begin with Coach Bob Snider of the men's squash team. He was recounting the teams' battle for the No. 10 national ranking with the U.S. Military Academy of West Point.

SNIDER/TAPE- (decisive)... "They'll be No. 10."

WRAPUP

All in all, a very good winter season, indeed, for the intercollegiate athletic teams at the State University of New York at Stony Brook. Next week, we will be talking with Bruce Bawer, a teaching assistant and doctoral candidate in the English Department.

Mr. Bawer has been *attracting all all o' the country w/ his essays about the roles of parents*
