

MEMO TO: Norm Prusslin

FROM Al Oickle

SUBJECT: Summer reruns, "Here at Stony Brook"

DATE: May 26, 1983

Norm, with this memo I'm giving you 12 reel-to-reel tapes covering the weekly series from June 6 through Aug. 22.

Here's a master list:

June 6 - Hurd and Charles

June 13 - Prestwich and Haley

June 20 - F. Levine and Yang

June 27 - D. Fry, J. Fry and E. Carlson

July 4 - "Perceptions of Beauty"

July 11 - McTernan and Joyce

July 18 - Lichtenstein, Baskin and Frisbie

July 25 - Truxal and Tucker

Aug. 1 - Laser, M. Levine

Aug. 8 - A. Carlson, Bethin, Heller

Aug. 15 - Silkman, Schneider

Aug. 22 - Yago, Lampart

I am attaching to each box (or, perhaps, putting inside each box with the tape) a short statement to be read by the on-air announcer to precede each broadcast in order to let the public know that they are hearing a rerun and that some of the material was prepared for earlier broadcast etc.

I'm planning to resume with the Aug. 29 broadcast, changing the name of the show to "Conversations Unlimited." I am, as ~~na~~ always, yr. obt. svt.
