

HERE AT STONY BROOK - Monday, Nov. 29, 1982

STEVE KAHN:

The following program, Here at Stony Brook, was originally broadcast over WUSB-FM on Nov. 15. One of the main subjects of this broadcast is Lyme Disease. ^{The program} /~~It~~ is being repeated during the New York deer hunting season in order to heighten public awareness of this newly discovered disease. Please stay~~ed~~ tuned.
