

HERE AT STONY BROOK - Monday, March 28, 1983

New outro (Repeat of #25, interview with Tucker and Truxal)

THEME UP AND UNDER

Next week, "Here at Stony Brook" will travel a bit.  
Our guests will be Kenneth ~~Levine~~<sup>ASER</sup>, associate professor in the  
Department of Ecology and Evolution, and Marvin ~~LEVINE~~<sup>IN</sup>, professor  
*the Dept. of* ~~in~~ psychology. We will talk with Dr. ~~Las~~<sup>E</sup> about his special interest  
in helping teach the public school teachers in Costa Rica about  
their country's tropical and fragile environment. ~~And~~<sup>=</sup> with  
Dr. Levine we will explore the fascinating world of that modern  
phenomenon, the You-Are-Here map. Until next week, this is Al  
Oickle. So long, everybody.
