SUBJECT: Radio reproduction of discussions
DATE: November 9, 1983

As you no doubt know, your March discussion of Orwell's "1984" was tape-recorded. I am using parts of the tape on my radio program, which appears on WUSB/FM 90.1 Mondays at 6 p.m. and on other New York stations on other dates later each week. Here is the WUSB schedule:

Oct. 31 - Lewis Coser's introduction

Nov. 14 - Ruth Miller's report of "1984"

Nov. 21 - Excerpts of "comments and remarks" by

Max Dresden, James Rule and Ruth Miller.

I enjoyed putting together these segments, which run approximately 10-15 minutes each, and hope you get the opportunity to hear them.
