Subject Happy Pay Day

"Hello Everyone",

From this day forward, your "Happy Pay Day" messages will be coming from the "official" UUP mailbox. Charlie McAteer is still the Author and very much involved. However, it was best felt that Chapter communications come from the Chapter rather than an individual. I want to thank Charlie for his past and continuing work on this most useful form of Chapter communications.

Questions and comments from the membership are solicited and encouraged.
