Subject Campus Environment Committee - Meeting Reminder
Monday, Sept. 18, 3-5 pm; 221 Admin

Campus Environment Committee members,
As a reminder, the next meeting of the committee will be on Monday, September 18th from 3-5 pm in the conference room of 221 Admin. Bldg. This meeting will be the first of the new term and a few new members joining us. During the meeting an election must be held for the committee chair. A proposal to revise the charge we are given by the University Senate will also be reviewed as initiated by Malcolm Bowman. The minutes from our last meeting and the new proposal are attached below.

Over the summer the annual University Senate election was held that included all standing committee positions. As it happens there are still three faculty representative vacancies on the Campus Environment Committee that will need to be filled by appointment. Two of these positions must be filled by faculty members from Humanities and Fine Arts. The other must be filled by a faculty member from the Social & Behavioral Sciences. If you know of interested individuals from these areas that might want to be a member of this committee please let me know. I am very willing to contact them.

Pending the outcome of yesterday's University Senate meeting, regarding the status of our proposed campus-wide no smoking proposal, the distribution of this message was delayed. Because time for a special town hall meeting was needed the vote on our proposal was deferred until October. The vote will now be held on Oct. 9, from 3:30 - 5 pm in room 302 of the Student Activities Building.

Thanks for your attention.

Bill Dethlefs, Chair
