### WHO GOT CAUGHT?

reading the Library blog, that is. The Screen Porch has been up and running for a couple of months already. In case you haven't checked - go to the Libraries homepage and it's right there in plain sight! If you didn't get a chance to spend some time there, give it a try. Who knows you might be the next to be caught. It is a good place to go for news and views.

(Yet to come . . . there is going to be an electronic newsletter to be available from our homepage in August; Publications and Publicity Team has been hard at work putting this together.)
