§23.6 Sabbatical Leave

- a. Policy. Sabbatical leaves for professional development may be made available to academic employees who meet the requirements set forth below. The objective of such leave is to increase an employee's value to the University and thereby improve and enrich its program. Such leave shall not be regarded as a reward for service nor as a vacation or rest period occurring automatically at stated intervals.
- b. Purpose. Sabbatical leaves may be granted for planned travel, study, formal education, research, writing or other experience of professional value.
- c. Eligibility. Academic employees having continuing appointments who have completed at least six consecutive years of service within the University or who, if they previously have had a sabbatical leave, have completed at least six consecutive years of service within the University from the date of return from their last sabbatical leave, shall be eligible for sabbatical leave. In computing consecutive years of service for the purpose of this subdivision, periods of vacation leave and periods of sick leave with salary shall be included; periods of leaves of absence, other than vacation and sick leave with salary, and periods of part-time service shall not be included but shall not be deemed an interruption of otherwise consecutive service.
- d. Terms and Conditions. Sabbatical leaves may be granted for periods of one year at rates not to exceed one-half basic annual salary or for periods of one-half year at rates not to exceed full basic annual salary. Academic employees on sabbatical leave may, with the prior approval of the College President, accept fellowships, grants-in-aid, or earned income to assist in accomplishing the purposes of their leaves. In such cases, the College President may adjust the sabbatical leave salaries to reflect such income, either prior to or during the periods of such leaves, provided, however, that in no case shall sabbatical leave salary be reduced if total earnings are less than full salary.
- e. Applications. Applications for sabbatical leaves shall be submitted to the College President as far in advance as possible of the requested effective date of the leave, but in no event later than six months in advance of such date unless such requirement is expressly waived by the College President. Each application shall include a statement outlining the program to be followed while on sabbatical leave, indicating any prospective income, stating that the applicant will continue as an academic employee for a minimum of one year upon the employee's return and stating that upon return the applicant will submit to the College President a detailed report of professional activities and accomplishments while on sabbatical leave.
- f. Approval. Consistent with the provisions of subdivision (d), the College President may approve such sabbatical leave as the College President deems appropriate and such leave shall be reported to the Chancellor.
- g. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during sabbatical leave.

§23.7 a. Other Leaves for Academic Employees

1. Approval. The College President may recommend to the Chancellor other leaves of absence for employees at full salary or reduced salary, or may grant employees leaves of absence without salary, for the purpose of professional development, acceptance of assignments of limited duration with other universities and colleges, governmental agencies, foreign nations, private foundations, corporations and similar agencies, as a faculty member, expert, consultant or in a similar capacity, or for other appropriate purposes consistent with the needs and interests of the University. Leaves of absence without salary may also be granted under appropriate

circumstances for the purpose of child care. Leaves of absence at full or reduced salary pursuant to provisions of this Section shall be subject to the approval of the Chancellor.

2. Application. Applications for such leaves of absence shall be made to the College President. Each such application shall include a statement of the purpose for which the leave is requested, its anticipated duration and its value to the applicant and the University.

3. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during a period of leave pursuant to provisions of this Section.
