**Message From the President: About the Pay Bill**

From Phil Smith, Statewide UUP President

I'm pleased to report that, this afternoon (6/18), Governor Paterson signed the UUP Pay Bill legislation. This brings us an additional step closer to getting more \$\$s into the hands of our members.

We've been assured by the Comptroller's Office that two Pay Bulletins for UUP will be released next week. The bulletins will detail when the retro and contractual raises will be paid. I'll be sure to alert everyone when those dates are announced.

On a second note of "Good News," we met with GOER/SUNY today and have tied up a few loose ends remaining from the last round of negotiations. This means that we'll be moving forward soon toward full implementation of all contract items. As each of the items under discussion are rolled-out, I'll be notifying you of what's happening and

when.

And to continue this pattern of "Good News," I received a personal, hand-written note, from SUNY BOT Chairman, Carl Hayden asking to meet with me in Albany. I've reached back to Mr. Hayden and suggested a meeting ASAP even at his Elmira office if need be.
