GRIEVANCE, GRIPE or IS MY BOSS JUST DIFFICULT TO DEAL WITH – Does your boss want to be your weekend email buddy? Are you chomping at the bit to go up the chain of command because you can't get anywhere with your supervisor on her/his unfavorable evaluation after all the new tasks you took on? This workshop will give you 12 valuable strategies on dealing with the boss and how to prevent conflict. We'll take a humorous look at the "10 most wanted" list. We'll discuss ways to bring out the best in your boss and achieve important career goals in the process. We'll also take a look at the UUP Grievance procedures and you'll have the opportunity to speak out on your experience.
