STATE UNIVERSITY OF NEW YORK AT
Stony Brook

SPRING 1985 FINAL EXAMINATION SCHEDULE - MONDAY, MAY 13 THROUGH FRIDAY, MAY 17

PERIOD 1: 8:30 a.m.-11:30 a.m. PERIOD 2: Noon-3:00 p.m. PERIOD 3: 3:30 p.m.-6:30 p.m. PERIOD 4: 7:00 p.m.-10:00 p.m.

Large multisectioned courses having a common final examination time are listed in Part I. Their final examinations are scheduled according to the course number rather than the lecture time in Period 4, M through TH, or Period 2, W. All other final examinations are scheduled according to class time. See Part II. Examinations for courses having both a lecture and recitation are scheduled according to the lecture time. Unless otherwise announced by the instructor, the examination will be given in the room where the regular class is held. In planning programs for the semester, students should take the final examination schedule into consideration. It is the student's responsibility to plan a program that avoids examination conflicts as well as too many examinations in the same day. Instructors are not obliged to give make-up examinations to students who fail to avoid such situations.
