FALL 1986 FINAL EXAMINATION SCHEDULE - MONDAY, DECEMBER 15 THROUGH FRIDAY, DECEMBER 19

PERIOD 1: 8:30 a.m.- 11:30 a.m. PERIOD 2: Noon- 3:00 p.m. PERIOD 3: 3:30 - 6:30 p.m. PERIOD 4: 7:00- 10:00 p.m.

Large multisectioned courses having a common final examination time are listed in Part I. Their final examinations are scheduled according to the course number rather than the lecture time in Period 4, Monday through Thursday. All other final examinations are scheduled according to class time. See Part II. Examinations for courses having both a lecture and recitation are scheduled according to the lecture time. Unless otherwise announced by the instructor, the examination will be given in the room where the regular class is held. In planning programs for the semester, students should take the final examination schedule into consideration. It is the student's responsibility to plan a program that avoids examination conflicts as well as too many examinations in the same day. Instructors are not obliged to give makeup examinations to students who fail to avoid such situations.

POLICY ON DROPPING COURSES DURING THE FIRST TWO WEEKS OF CLASSES

Students may drop certain courses without securing any signatures subject to the restrictions designated below and with the exception of all independent study, directed readings and research courses (447,448,449,482 through 489) and undergraduate teaching practica (475,476) and other courses designated by individual departments. This policy applies ONLY to courses dropped within the first two weeks of classes (September 2 - September 15). After the end-of-second-week rosters have been printed, departments will submit to the Academic Judiciary Committee the names of those students who have dropped permission-required courses without the appropriate signature. Forging a signature to drop a course designated as one that requires a faculty or authorized signature will constitute an academic dishonesty offense.

CHE 131	ECO 114	MAT 120	MAT 126	MAT 131	PHY 103

HEALTH SCIENCES CENTER COURSES: Although the Health Sciences Center courses listed on page 55 of this booklet are open to main campus students, permission of the instructor must be obtained prior to registration. For information regarding registration requirements, call the department at the telephone number appearing in the course listing. Failure to obtain permission may result in deregistration.

HTBA: Hours to be arranged.

MEETING TYPES: LEC: Lecture; SEM: Seminar; REC: Recitation; LAB: Laboratory; TUT: Tutorial

NOTE TO UNDERGRADUATES: Undergraduate students may not register for graduate courses without permission of the instructor and the department.

TOPICS COURSES: A topics course is signified by the symbol "#" appearing before the course title. The title of a topics course may change from semester to semester.

When students in the College of Arts & Sciences register for an HSC course scheduled in a fall modular term, this course counts toward the students' fall workload only, even if the module extends into the spring semester. In order to register for a Health Sciences Center course, permission of the instructor must be obtained prior to registration. The courses listed below are available on a limited basis to non-HSC students. The modular term is noted, where applicable.
