

## Chancellor's Award for Student Excellence

Students, faculty, and staff are invited to submit nominations for the Chancellor's Award for Student Excellence by **Tuesday, January 30, 2007**.

The Chancellor's Award for Student Excellence recognizes model students who have integrated academic excellence with other aspects of their lives, and who may have already received recognition from the campus, local, state, national, or international organizations. It is the highest honor bestowed upon a student by SUNY. Although there is no minimum GPA requirement, last year the 245 SUNY-wide award recipients came from 61 campuses and had an overall average GPA of 3.74 in addition to an impressive array of co-curricular accomplishments. We are seeking nominations of Stony Brook **seniors** who have best demonstrated and been recognized for the integration of academic excellence with other aspects of their lives, which may include:

- Arts
- Athletics
- Career achievement
- Community service
- Leadership

Only students graduating between June 2006 and May 2007 are eligible, and only awards and recognition received while they were at Stony Brook are applicable for this award.

Please e-mail the names of students whom you wish to nominate, **together with a paragraph describing your reasons for the nomination**, to Rosemary Effiom ([reffiom@notes.cc.sunysb.edu](mailto:reffiom@notes.cc.sunysb.edu)). Ms. Effiom's office will contact the students you nominate, send them a nomination form and encourage them to submit the completed nomination form via e-mail for consideration. A campus selection committee will review the completed forms, verify information, and select up to fifteen candidates for nomination to SUNY System Administration. Acting Chancellor John Ryan will host the awards ceremony for the winners and their families and friends in the Convention Center, Empire State Plaza, Albany, sometime in March .

**Please note that the deadline for students to submit their completed nomination forms to Rosemary Effiom is Tuesday, January 30, 2007. If you have any questions regarding these awards, please contact Rosemary Effiom ([reffiom@notes.cc.sunysb.edu](mailto:reffiom@notes.cc.sunysb.edu) or 632-7080).**

Please take this opportunity to help our outstanding students get the recognition that they deserve.
