1. Time to renew library material

Graduate Students, Faculty, Management Confidential, Emeritus and Professional staff who currently have borrowed library material due May 18,2010, from the Main, Music and/or the Science/Engineering Library, are urged to return or renew at this time.

For those renewing, the new due date will be Dec. 20, 2010. Items already renewed 3 times, must be returned and may then be checked out again.

For information on how to renew online via STARS/OPAC, please go to the URL below. To renew in person, please present your ID card to service desk staff. It is not necessary to bring the material into the library in order to have them renewed. Overdue material can not be renewed.

<http://www.stonybrook.edu/library/services/circulation/borrowing.html>

Submitted by: David Weiner/Lib

2. Food Safety Policy

The Food Safety Policy 1-15 has been reviewed and accepted by the Stony Brook University. It is posted on the Environmental Health and Safety (EH&S) Policies and Procedures webpage.

Click on link to view: <http://www.stonybrook.edu/ehs/policy/campus.shtml>

Submitted by: Maureen Wozniak/Admin

02. Administrative - Hosp/HSC

1. April is National Donate Life Month

In recognition of National Donate Life Month, please register in the New York State database (link below). This is the most effective way to register to be an Organ and Tissue Donor.

<https://apps.nyhealth.gov/professionals/patients/donation/organ/DonorRegistration.action>

The hospital's Organ Donor Council is also welcoming anyone who would like to join. Please contact David Bekofsky at 4-1787 or David Harris at 4-4710 for more information.

Submitted by: David Harris/UHMC

03. Workshops/Courses/Training

1. New Clickers - Pulse Pads

Tuesday, April 27 at 9:00am OR

Wednesday, April 28 at 10:30am

Melville Library, The Faculty Center Conference Room

eInstruction will introduce Stony Brook faculty to the new CPS Pulse clickers that will be on campus starting with summer classes. The new clickers have different screen icons and operation is slightly different from the legacy Gen 2 clickers. The introduction should facilitate a smooth transition from the Gen 2 to Pulse clickers for the faculty and their students.

For more information contact The Faculty Center at 631.632.2780

<https://it.stonybrook.edu/FacultyServices/Lists/Faculty%20Announcements/DispForm.aspx?ID=24>

Submitted by: The Faculty Center

2. Procurement Department offering Training Workshops on State and Research Procurement this Spring.

The Procurement Department will be offering, Training Workshops on State and Research Procurement Process Requirements, June 8 to June 11. These Workshops will serve as a refresher for existing staff and will be informative and helpful for new staff. Workshops will provide staff with a better understanding of the Procurement Policy's and Procedures and help provide the knowledge and tools needed to monitor contracts. All are invited and encouraged to attend. There will be (4)four different sessions. One or all (4)four sessions may be of interest to you or your staff. Registration will begin early May. For further information please contact Fran Gandia at 2.9094.

Submitted by: Fran Gandia/Admin

3. Lotus Notes Users - Learn how to manage your email so you don't go over quota.

Join us on Tuesday, April 27 for this hands-on training session - "Getting Organized With Lotus Notes". Practice archiving and saving attachments as well as setting your out-of-office reply, organizing mail into folders, flagging mail for follow-up and lots more!

http://it.cc.stonybrook.edu/get_help/lotus_notes_classroom_training

Submitted by: Kim Rant/DoIT

4. Learn how to use the Lotus Notes Calendar to invite others to meetings.

Join us on Thursday, April 29 for this hands-on training session - "Manage Your Time More

Effectively Using the Notes Calendar". Practice inviting others to meetings, responding to meetings that you are invited to, setting reminders and lots more!

http://it.cc.stonybrook.edu/get_help/lotus_notes_classroom_training

Submitted by: Kim Rant/DoIT

5. Art Of Living Workshop

The Art of Living workshop is a proven method for improving the quality of life. It is based both on theoretical understanding and practical tools that can immediately be put to use with implications for all aspects of an individual's with direct, long lasting and tangible results. The workshop provides participants with practical and powerful techniques including Eastern breathing techniques, meditation, tension-releasing yogic stretches and exercises, and skills for dealing effectively with challenging emotions and situations. A weekly group follow up practice is available at Stony Brook.

Dates Fri June 4 to Mon June 7

Time: Fri and Mon 6 - 9:00 PM, Sat and Sun 9AM - 2 pm

All days must be attended

Workshop Fee: Free

To register and for more information contact Dr. Balaji Sitharaman - 631-655-4736

Submitted by: Balaji Sitharaman/CEAS

6. Teaching a First-Year Seminar - Fall 2010

The Undergraduate Colleges are seeking staff and faculty interested in teaching a first-year 101 seminar for the coming fall semester. The first-year seminars are taught through the Undergraduate Colleges and consist of both thematic and general content to orient new first-year students to campus. For more information contact Jason.Mastrogiovanni@stonybrook.edu or visit the attached url.

<http://www.stonybrook.edu/ucolleges/curriculum/101>

Submitted by: Jason Mastrogiovanni/Prov

7. Aes/Smrt Training

05/12/2010 - 09:30am - 11:30am

The Budget Office is joining with the Accounting Office to offer a combined training class on the AES and SMRT systems. Users will see demos of the AES (Account Expenditure Summary) and SMRT (SUNY Management Resource Tool) applications.

Are you responsible for the financial management of your department's STATE and IFR accounts? If so, join us for a workshop on understanding your monthly Accounting Expenditure Summary (AES) reports and the use of the SUNY Management Resource Tool (SMRT) web-based application. Learn how to manage your SUNY accounts with these integrated tools that

generate account balance, month end, purchase order, payroll summary, and transaction detail reports.

8. Counseling Process for Supervisors of Research Foundation Employees

05/12/2010 - 09:00am - 12:00pm

This program will provide 1st or 2nd line supervisors and managers, with information regarding the Counseling processes for non-represented Research Foundation employees in the Stony Brook University community. In addition it will provide you with the ability to support the supervisors in your departments who are faced with employee issues requiring counseling.

The session includes:

How and when to conduct a counseling session

The difference between a verbal and a written counseling

How to write a counseling memo

How to identify problem situations

How to determine when to counsel an employee and when to seek more severe administrative action

The roles of the supervisors, the department and employee and labor relations in the process

Target Audience: Supervisors or Managers of Research Foundation employees.

9. Are you overwhelmed by demands on your time? Are you constantly juggling countless priorities? Manage your priorities More Effectively Now!!

May 5 9:30am 12:30pm

Developing your ability to effectively use your time, set goals and focus on priorities while managing simultaneous responsibilities is key. Managing your work day is key to reducing stress as well as accomplishing goals successfully.

Key Highlights:

-Create effective work plans, prioritize competing tasks and plan for each day

-Identify inefficient uses of time and ways to improve or eliminate them

Target Audience: Open to all West Campus, South Campus, HSC, Manhattan and Southampton Employees

Click below to register now!

<http://naples.cc.sunysb.edu/training/hrclasses.nsf/wc0027>

Submitted by: Lillian Valdez/Admin

10. Communicate with Confidence in front of an audience!

05/19/2010 - 09:30am - 12:30pm

Excellent ideas alone do not guarantee engaging and successful presentations! Success is determined by the combined impact of your words, voice and body language. You can deliver powerful, high-impact presentations by learning where to focus your effort and energy. This is a challenging, fast paced and experiential workshop.

Key Highlights:

Develop prominent delivery skills

Capture and hold listener attention

Connect with and focus on your listeners

Increase your comfort and confidence

Target Audience: Open to all on West Campus, South Campus, HSC, and Manhattan

10. Research

1. Do You Have Chronic Fatigue?

If you have chronic fatigue, you are invited to participate in a study in the Family Practice Center at Stony Brook University funded by the National Institutes of Health to learn fatigue self-help skills. Internet and Windows 2000, XP, or Vista required. Participants will be paid up to \$420. For further information call: Dr. Fred Friedberg (631) 632-8252. Email: fred.friedberg@stonybrook.edu

Submitted by: Diane Ruenes/UHMC

2. Do You Have Heart Failure?

Adults diagnosed with heart failure are invited to participate in a symptom monitoring study. The study is testing an educational method to help patients monitor their heart failure symptoms. If qualified to participate, questionnaires about your medical history, symptoms, self-care, and quality of life will be completed. Participants are followed for one year by telephone (15-20 minute interviews 1, 3, 6, and 12 months after enrollment). All participants will be given a weight scale to keep and a booklet on heart failure self-care. You will be paid \$20 at both 6 and 12 months if you complete the telephone interviews. For further information or to schedule an appointment, please call: Dr. Corrine Jurgens - 631-444-3236 or Karen Kelleher - 631-444-1299
