01. Administrative (dept moves/closes, employee info, Admin announcements)

1. Time to renew library material

Faculty, Management Confidential and Professional staff who currently have borrowed library material from the Main, Music and/or Science/Engineering Library, with a due date of May 16, 2006 are urged to renew at this time. The new due date, after properly renewing, will be December 22, 2006.

For information on how to renew via STARS/OPAC, please go to the URL.

To renew in person, please present your ID card to service desk staff. It is not necessary to bring the material into the library in order to have them renewed. There are no phone renewals. Thank you.

<http://sunysb.edu/~library/services/circulation/borrowing.html#renew>

02. Hosp/HSC Admin Announcements

1. Introducing Hal A. Skopicki, MD, PhD

The Department of Internal Medicine is pleased to announce the appointment of Dr. Hal A. Skopicki as Assistant Professor of Medicine in the Division of Cardiology. Dr. Skopicki will also serve as the director of the heart failure and cardiomyopathy program of Stony Brook University's Heart Center.

Dr. Skopicki's areas of special interest include advanced cardiovascular disease, left ventricular support devices and mitral valve disease.

Dr. Skopicki will be seeing patients at University Hospital in the Heart Center on Level 5 of Stony Brook University Hospital as well as at the offices of Stony Brook Internists, PC in Islandia. For consultations, call 444-9600.

For more information about Dr. Skopicki, please see his webpage

http://www.upsb.org/xq/asp/code.2809/qx/html_patient/physician.htm

Submitted by: Sue-Ann Villano/CPMP

2. Stony Brook Ophthalmology Is Now A Davis Vision Laser Vision Correction Provider

Stony Brook Ophthalmology is now a participating provider with the Davis Vision Laser Vision Correction Program. All eligible members will receive a 25% discount off of the usual refractive surgery (ie: LASIK) charges. To those who are not eligible, Stony Brook Ophthalmology will continue to provide a \$500 discount to all Stony Brook employees and their extended family. If you are interested in LASIK or would like to discuss your options please do not hesitate to call our phone number at (631)444-4996.

Lastly, Dr. Marc Dinowitz will be conducting a LASIK Lunch & Learn session on Thursday June 1st at 12PM. Location TBA. Come and learn more about refractive surgery. Space is limited. To inquire about this meeting or to reserve a spot, please call (631) 444-4996.

Submitted by: Marc Dinowitz/UHMC

03. Workshops/Courses/Training (work related; HR, EAP, DoIT, etc...)

1. This hands on workshop will teach you how to use the Lotus Notes Calendar to manage meetings, reminders, etc.

Join us this Thursday 6/1 from 9-12. Click here to register for "Manage Your Time More Effectively Using the Lotus Notes Calendar and To Do List".

<http://clientsupport.stonybrook.edu/public/notes/notestraining/index.shtml>

Submitted by: Kim Rant/DoIT

2. Lawson Training

Lawson Training Classes to be held on 6/8/06 at 10am or you can come to the class on 6/15/06 at 1pm, both classes will be held in the IT Training Room, (HSC-Library - Computer Classroom - Room 3-133A), "For All Hospital Employees". To attend this class please contact Michele Thomas, Lawson Support Specialist, ext. 4-7805 and you must have a SBUH main computer sign-on. There will be 2 parts covered in this class, the first half is for ordering from the Storerooms in the Hospital and the second half will cover ordering from an outside Vendor. I suggest that all employees who are either new to Stony Brook Hospital or if you just need a refresher course, please attend this class.

Submitted by: Michele Thomas/UHMC

3. Teaching with Technology workshops - Including: Blackboard, Digitizing Media, On-line Surveys, PodCasting & Webpage Development

Are you a faculty member who is interested in learning how you can incorporate technology into your teaching?

Perhaps you've heard of Blackboard, know how to post content but wish you knew more?

Are you interested in conducting a survey but do not want to use Blackboard?

Do you have information on VHS Tapes that you would like to digitize for your students (and not violate copyright)?

Are you interested in learning about PodCasting?

This summer, the Department of Instructional Computing, CELT and the Library will be offering workshops regarding various computing resources.

For more information, including the schedule and to register, visit:

<http://www.ic.sunysb.edu/blackboard/faculty.shtml?workshops>

These sessions are available to all Faculty, Staff and TA's.

<http://www.ic.sunysb.edu/blackboard/faculty.shtml?workshops>

Submitted by: Instructional Computing

4. HSC Library June Class Schedule

All classes are in Classroom 2 unless otherwise noted.

Attendance is free of charge and advanced registration for the scheduled classes listed below is not required.

COURSES ARE LISTED IN ORDER BY DATE

<http://www.hsclib.sunysb.edu/educhie/CurrentSchedule.pdf>

Submitted by: Michael Bailou Huang/HSC

5. Managing Multiple Priorities

Learn how to make the most effective use of your time, meet deadlines and manage multiple priorities by taking an action-oriented approach.

Objectives:

Set goals, prioritize tasks and plan for each day

Identify inefficient uses of time and ways to improve or eliminate them

Work smarter to reduce stress and increase productivity

This is an introductory workshop.

Date: June 7th; Time: 9:30 a.m. - 12:30 p.m.

To Register: Click on link below

Submitted by: Charles Backfish/CAS

08. For-Pay Workshops/Courses (SPD, etc...)

1. Adobe Photoshop: - NCE 321 - 12 sessions - Fee: \$629

Professional artists, amateur photographers and Web novices should know the fundamentals of Photoshop, the most powerful image editing software on the market. Whether you want to learn how to prepare photographs for offset printing or just want to create good-looking scans for your personal homepage, a working knowledge of Photoshop is essential. Topics covered will include the Photoshop work area, image basics, working with selections, working with layers, painting, masks, channels, creating special effects, basic pen tool techniques and creating images for electronic publishing. We will be working in the Windows environment.

Prerequisite: Introduction to Windows or equivalent experience.

Section A: Wed., 6:30-9:30pm, Aug. 2, 9, 16, 23, 30; Sept. 6, 13, 20, 27; Oct. 4, 11, 18, 2006.

10% discount University employees and students, CSEA LEAP Vouchers accepted

To register go to SPD Website Registration Form at

<http://www.stonybrook.edu/spd/career/registration.html>

For questions call 632-7071

Submitted by: Frank Esposito/Prov

2. Designing a Website with Microsoft Publisher: - NCE 325.4 - 2 sessions - Fee: \$109

Creating basic Web pages is easy with Microsoft's page layout program. Learn about Publisher's "WYSIWYG" word processor-like tools, built-in HTML code generator, design considerations, page wizards, page enhancements, debugging and site publication.

Prerequisite: Introduction to the Internet or equivalent experience.

Section B: Mon., 6:30-9:30 pm, July 10,17, 2006

10% discount University employees and students, CSEA LEAP Vouchers accepted.

To register go to SPD Website Registration Form at

<http://www.stonybrook.edu/spd/career/registration.html>

For questions call 632-7071

Submitted by: Frank Esposito/Prov

3. Music Basics for Kids Open Houses May 13, May 20, and June 3

See how young musicians experience music through games and exercises that allow them to use physical movement as they learn the basics of pitch, rhythm and notation.

Level I 9:30 am - 10:20 Kindergarten

Level II 10:30 am - 11:20 First through Second grades

Level III 11:30 am - 12:20 Third through Sixth Grades

Music Basics for Kids classes are held in the Choral Room (#0113) located in the basement of the Music building at Stony Brook University.

Visiting children are most welcome to participate in class and should wear comfortable clothing suitable for movement; long pants, T-shirts and light sneakers or dance shoes are perfect.

Information about the Music Basics for Kids curriculum and registration for Fall 2006 classes will be available. Classes fill up quickly so we urge you to register at the earliest opportunity.

For questions, please contact Dorothea Cook: 631-751-7672 dorotheacook@yahoo.com

Submitted by: Edith Auner/CAS

4. Defensive Driving Program for CSEA Members and immediate family.

Defensive Driving classes are back! Reduce up to 4 points on your driving record. Save 10% for 3 years on auto insurance with the New York Safety Programs 6 hour driver improvement course. All classes are held at CSEA Region One, 3 Garet Place, Commack, NY 11725.

Members and immediate family pay only \$19.00. Call the N.Y.S.P. directly to register and receive more information! Tel. #1-800-942-6874. First class is July 12th & 13th from 5:30 - 8:30pm

Submitted by: Louise Melious/Admin

5. Advanced Access: - NCE 317.1 - 4 sessions - Fee: \$209

Add power to your database by creating custom forms, reports and advanced techniques with tables, queries and macros. There will be a review of using relational databases and mastering relationships.

Required Text: Teach Yourself Access 2000 (by IDG). Cost of textbook is not included in the fee. Students must bring textbook to the first class meeting.

Section K: Mon., 6:30-9:30 pm, June 5,12,19,26, 2006

For a full description of this class, and to register go to SPD Website at

<http://www.stonybrook.edu/spd/computer>

For questions call 632-7071

10% discount for University employees and Students. CSEA LEAP Vouchers accepted

Submitted by: Frank Esposito/Prov

6. Bartend Class

A complete introduction to mix drinks and liquors as well as bars management. Plenty of in-class practice (using simulated liquors), lectures and demonstrations. Includes book and certificate.

Five sessions: 6/21, 6/26, 6/28, 7/5, 7/10, 6:00 pm 8:00 pm, Union studio 081. Cost: \$75/student, \$90 /non-student. To register call the Craft Center 632-6822, Union room 049.

<http://stonybrook.edu/craftcenter>

Submitted by: Janice Costanzo/OSA

09. Research (Studies, Testing, etc...)

1. Are you an overweight healthy non-smoker?

Are you an overweight healthy non-smoker?

We invite you to participate in a study of how your lungs work.

This study involves pulmonary function testing (2 hours) , followed by 2 days of chest imaging (about 4 hours on the first day and 2 hours on the second day). We will be studying whether your weight is affecting the way your lungs clear things that you breathe in.

If you are interested and you are: Overweight Never smoked Do not have a cough Are not pregnant Are over the age of 18 No pacemaker or other device in your chest

Please Call: 631-444-1776 and ask to speak to Dr.Darowalla in the Pulmonary Division about the lung study. You will be paid \$25 for each day of imaging that you complete.

Submitted by: Mario Solomita/UHMC

2. Earn Money In Psychology Studies On Traits, Coping, And Problem Solving

Participate in an experiment involving filling out questionnaires and doing computer-based problem-solving tasks. If you are 18 years or older, you may be eligible to participate in this

study.

To find out more, call 632-7811.

Submitted by: Anne Moyer/CAS

3. Long Island Database Project - Volunteers Wanted

The Long Island Cancer Center is creating a database of blood samples and clinical information to help researchers better understand why some individuals develop breast and prostate cancer while others do not.

Women and men are eligible to participate if they were diagnosed with breast or prostate cancer OR have never been diagnosed with cancer, are 18 years of age or older, are a current Long Island resident and have lived on Long Island for at least 5 years.

For more information about the study, please call Britney Duncan at 444-7995 or 1-800-566-9667.

Submitted by: Erin O'Leary/UHMC

4. Office of the Vice President for Research - Monday Memo

The Office of the Vice President for Research distributes a biweekly electronic "Monday Memo" with items of interest to Stony Brook's research and creative activities community. If you would like to join our mailing list, please visit

<http://www.stonybrook.edu/research/monmemo/mmarchive.html>
