1. The Family Service League Toy Drive Success!

During the holiday season, the AmeriCorps VISTA program, housed in the Career Center, organized an initiative to collect children's toys and gift cards on behalf of the Family Service League. Thanks to the generosity of 140 faculty and staff from 14 departments, we were able to collect over 500 toys and 34 gift cards. Overall, the estimated value of these items was over \$5,685.

The Family Service League was truly blown away by the overwhelming show of generosity put forth by Stony Brook faculty and staff. Parents were able to select two items per child in their family from the Holiday Boutique, at no cost, in time for gift giving during the holiday season. Special thank you letters will be sent to each department that participated in the Family Service League Toy Drive. Thank you to the Stony Brook Community!
