 Subject Transportation and Parking on Commencement Day

TO: Faculty and Staff
 FROM: Arlene Skala, Associate Director
 SUBJECT: Transportation and Parking on Commencement Day

Please note the following about traffic patterns and parking availability for Friday 5/17/02:

Center Drive will be closed the entire day... Friday, May 17th. The Old "H" and "Math" parking lots may be accessed from the SAC Drive side. Prior to 8:30 a.m., all campus entrances will be open and traffic patterns will not be altered. The Administration Garage will be available to all monthly ticket holders and, as space allows, for paying customers. All faculty and staff are urged to arrive on campus no later than 8:30 a.m. in order to park, to the extent of availability, at or near their usual spaces.

At 8:30 a.m., the main entrance to the campus will be closed to all traffic. Vehicles entering after 8:30 must use the North, South, or Stony Brook Road entrances. The Stadium Lot accessed via Infirmary Road will be available for faculty and staff who arrive on campus after 8:30 and cannot get to their normal parking spaces. The Main Entrance to campus will reopen after the Main Ceremony gets underway at approximately 11:45 a.m. The Main Ceremony will end at approximately 12:50 p.m., and will be followed by the Commencement Festival on the Physics' Green. Traffic will become quite congested; therefore, you may want to time your exit from campus accordingly. There may be delays exiting Administration Garage approximately 3:30 pm and 5:00 pm, due to department convocation ceremonies ending at these times.

 ADDITIONAL DATES FOR ROAD CLOSINGS

Please be advised that on or about Monday May 20th, demolition work will begin on the Center Drive bridge, necessitating the closure of the immediate area of Center Drive for approximately 6 weeks. Complete information is available on the Parking Services website: www.parking.sunysb.edu
