### **3. EAP Lunchtime Learning-Labyrinth Walking: Pathway to Stress Management and**

## **Improved Performance**

Take a break from the stress of modern life by going back a few thousand years. People are discovering anew that walking the concentric circles of ancient labyrinths can create inner peace and healing. EAP invites you to join Labyrinth Builder, Ed O'Connell, for a refreshing introduction to the Red Dragon Labyrinth as a walking meditation practice.

Take road that leads to SB Union loading dock (East side) and follow path on the RHS that would bring you between Gray and Irving/O'Neil. Labyrinth located in front of Woods facing Wang Center. Look for Red Dragon sign marker and the 7 big circles made out of red chips.

June 13th, 12-1:00

To register call EAP at 26085

##### **3. Cold Spring Harbor Protocols Free Trial extended for 3 more months**

Cold Spring Harbor Protocols is a definitive, interactive source of new and classic research techniques. The database is fully searchable by keyword and subject, and it has many novel features such as discussion forums and personal folders made possible by online publication. Its coverage includes cell and molecular biology, genetics, bioinformatics, protein science, and imaging. Protocols are presented step-by-step and edited in the style that has made Molecular Cloning, Antibodies, Cells and many other CSH manuals essential to the work of scientists worldwide. Protocols will be continuously expanded, updated, and annotated by the originators

and users of the techniques.

Cold Spring Harbor Protocols can be accessed directly from the Databases list of the Health Sciences Library Website . Please feel free to offer feedback at any time so that we can evaluate the usefulness of this product to Julitta Jo, Associate Director for Collection Development, or call her at 444-3688.
