Subject Important Reminder from Athletics

To All Faculty, Staff and Students

Dear Campus Community:

Allow me to take a moment to pass along a quick reminder and a few helpful hints regarding some potential traffic challenges surrounding two upcoming events at Stony Brook University Arena.

As many of you may already be aware, the Stony Brook University Men's Basketball team will host two very important games within the next week here at Stony Brook University Arena. Tomorrow night, Thursday November 30 at 7:00 p.m., our team will host nationally ranked Villanova University. Next Tuesday, December 5 at 7:00 p.m., they will also host local Long Island rival Hofstra University at 7:00 p.m.

These two events will attract many visitors to our campus on these two nights. Because of the volume of incoming traffic for these two games at that time of evening, you may experience some delays getting on or off campus beginning at approximately 5 p.m. Stony Brook University Police will assist us, and you, with traffic flow at key spots throughout the evening. In addition, in an effort to facilitate your trip(s) to campus, the University has agreed to open the Administration Garage Free of Charge beginning at 5:30 p.m. on these two evenings. We encourage those of you who have activities in or near central campus to use that as an option for your parking, as the lots closest to the Arena will most likely be filled with spectators attending the basketball games.

Thank you in advance for your understanding and cooperation. I hope to see you at one, or both of these exciting games.

Tickets for both games are limited, but still available. For more information, please visit the Stony Brook ticket office (at the Indoor Sports Complex) from 11 a.m. - 3 p.m. Monday thru Friday, call 631-632-WOLF, or visit our website at <http://www.goseawolves.org>

Subject Parking For Lacrosse For Autism Night Against Hofstra

To All Faculty, Staff and Students

Dear Campus Community:

Please allow me to take a moment to pass along an additional quick reminder and a few helpful hints regarding some potential traffic challenges surrounding our lacrosse games tomorrow at LaValle Stadium.

Tomorrow, Tuesday, April 22, Stony Brook hosts Lacrosse for Autism Night as the men's and women's lacrosse teams take on Long Island rival Hofstra University. The women's game begins at 4 p.m. with the men to follow at 7 p.m. The men's game will also be televised live on the Madison Square Garden Network.

Because of the anticipated volume of incoming traffic for these games at that time of evening, you may experience some delays getting on or off campus beginning at approximately 5 p.m. Stony Brook University Police will assist us, and you, with traffic flow at key spots by directing you to the most convenient available parking. Thank you in advance for your understanding and cooperation.

Come join us tomorrow night for one of the most exciting games of the season when the Seawolves face off against local rival, the Hofstra Pride. Tickets for tomorrow night's game are still available. A portion of the proceeds will go to the Cody Center for Autism and Developmental Disabilities.

Remember always WEAR RED and GO SEAWOLVES!

For additional information, please visit the Stony Brook ticket office (at the Stony Brook University Arena) from 11 a.m. - 3 p.m. Monday thru Friday, call 631-632-WOLF, or visit our website at <http://www.goseawolves.org>.
