5. Osteoporosis Prevention and Management Series

The Division of Wellness and Chronic Illness in the Department of

Family Medicine is offering a series of three group visits for the prevention and management of osteoporosis. The groups will also discuss osteoporosis in an integrative, holistic fashion with focus on measures that may be added to conventional treatment such as nutrition with whole foods, supplements, yoga, and exercises to improve hip and spine bone density. Conventional monitoring techniques and medical intervention with hormone replacement therapy and drugs will be covered as well. The series of three, two-hour sessions will be conducted on consecutive Wednesdays, September 5th, 12th, and 19th from 4:30 and 6:30 p.m. at 33 Research Way, Stony Brook Technology Park. For information please call 444-9815.

7. Employees - Update your Office Address information for the 2001-2002 Stony Brook Faculty and Staff Directory.

Human Resource Services (HRS) and the Division of Information Technology (DoIT) have developed an online service for employees to access and update your own office address information. Changes that you make using this service will automatically update PeopleSoft, the university's official Human Resources system. By updating your office related information you will receive campus mailings and phone calls with improved accuracy. This information will also be printed in the 2001-2002 Stony Brook Faculty and Staff Directory later this year. You can access this web site anytime to update your current office address. September 4 is the deadline for you to update your Office Address for the 2001-2002 Directory.

Please use the link below and then click "Office Address Update" on the right side of the page under Online Services to update your office address, Stony Brook Zip 4, and your office phone number.

11. Music classes this fall for 1st-3rd graders

Music Basics for Kids classes are forming this fall for 1st-3rd graders. Experience music through rhythmic movement, ear-training, singing games, and improvisation. These classes are based on Dalcroze Eurhythmics, an excellent foundation for all aspects of music making. Young instrumentalists with Dalcroze training typically progress faster and with heightened understanding and skill in their long-range musical studies

Classes meet on Saturday mornings in the Music Department starting on September 15th and running through June. All classes

are taught by Dorothea Cook who is also on the faculty for Dalcroze Eurhythmics at the Lucy Moses School of Music and Dance in NYC.

For information about the application process contact: Edith Auner, Director of Pre-College and Community Music Programs at 632-7328 or e-mail: Eauner@notes.sunysb.edu.
