Governor George E. Pataki today issued a Proclamation designating Friday, June 11, 2004, as a Statewide Day of Prayer and Remembrance in New York in honor of President Ronald Wilson Reagan. The Governor also directed that all New York State agencies and offices close on Friday in observance of the funeral of the 40th President of the United States.

All State employees who are deemed "essential," which include all employees of the University Hospital and Long Island State Veterans Home, will continue to report for work as usual. Non-essential employees should not report to work.

Further information regarding the day will be sent by Human Resource Services.
