Subject Results of surveys place Stony Brook University among the best

To the Campus Community:

I am very proud to announce to you the results of three recent surveys that place Stony Brook among the best universities in the world:

-- the London Times Higher Education Supplement ranked Stony Brook No. 136 among the more than 8,300 universities worldwide, and in the top 50 in North America.

-- the Institute for Higher Education in Shanghai ranked Stony Brook among the top 150 universities in the world.

-- in a ranking of the best science universities, the London Times Higher Education Supplement ranked Stony Brook No. 76, making it 21 in the U.S. and 10 among U.S. public universities.

I am delighted that we are getting increasing international recognition. Thank you for helping to make it so.
