Subject Thank you

To All Faculty and Staff:

I am delighted to report that the Faculty/Staff Campaign has already raised more than \$525,000. I thank all of you who have given so generously.

If you have not yet given, please seriously consider doing so. Outright gifts may be in cash or by check; you may pledge through payroll deduction or by credit card simply by clicking on this link and following the instructions: <http://www.stonybrook.edu/itsaboutus>

Your professional work has made Stony Brook one of the world's great universities. Now please help us reach the next level of excellence through our Faculty/Staff campaign.

Thanks so much.
