To the Campus Community:

The Suffolk County Police Department has been investigating a fatal motor vehicle accident that occurred on Tuesday, April 13 at 9:05 p.m. on Nicolls Road. A pedestrian was attempting to cross from East Campus to West campus at South Drive and was struck by a vehicle.

The entire Stony Brook University family was deeply saddened to learn that the victim was identified as Shubo Lin, a student who recently joined our community. Shubo's family is expected to travel from China in the coming days and we extend our deepest condolences to his family and friends.

By all accounts, Shubo - or Frank as his friends call him - was a genuinely kind and thoughtful person who was very excited to be here at Stony Brook University from his native China. He was enrolled in the Intensive English Program, and was looking forward to a bright future here in the states.

The loss of a student is always difficult, and we know it is particularly so for those directly invested in a student's academic success and personal development. As such, the Office of the Dean of Students is advising students, faculty and staff of resources that are available to support the campus community at this difficult time.

Students

Counseling & Psychological Services (CAPS)
631-632-6720
Student Health Center, 2nd floor

Center for Prevention & Outreach (CPO)
631-632-2748
