Dr. Lenora McClean, Dean of the School of Nursing, will step down from the deanship on June 30. Dr. McClean has served as Dean for 27 years, marking a period of great growth and development for the School. During that period, the School has added new programs, including the Doctor of Nursing Practice.

As you know, a search for her replacement has been in progress this year. Because it will not be completed by June 30, I have asked Dr. Lee Xippolitos to serve as Interim Dean of the School of Nursing until the new permanent dean is in place, and she has graciously agreed. I want to thank both Dr. McClean and Dr. Xippolitos for the continuity of leadership for our School of Nursing.
