To All Faculty, Staff and Students:

To the Campus Community: I'd like to bring your attention to the newly established Project 50 Forward Web site. Developed to introduce and communicate the new Stony Brook University initiative for advancing operational excellence, academic greatness, and building for our future, this Web site will be the source for the most up-to-date information and news about Project 50 Forward, as well as a vehicle to offer your feedback. Updates will be available at <http://www.stonybrook.edu/sb/50forward/> and on Twitter.

Samuel L. Stanley Jr., M.D. President
