To: All Faculty and Staff

Colleagues,

I am pleased to announce the next installment in the Provost's Lecture Series.

On Friday, April 16th Robert B. Gagosian will present "Can Global Warming Trigger a Big Chill?" Gagosian is President and Director of the Woods Hole Oceanographic Institution and an accomplished marine organic geochemist.

The lecture, co-sponsored by the Marine Sciences Research Center, will begin at 2:30 p.m. in Lecture Hall 2 of the Wang Center.

Please pass along this information to any students you feel would be interested in attending.

Thank you,

Robert McGrath

Provost and Executive Vice President for Academic Affairs
