Subject Moments of silence on September 11, 2002

Governor Pataki has requested that moments of silence be observed throughout campus on September 11, 2002 at 8:46 a.m., the time at which the first plane hit the World Trade Center; at 9:03 a.m., the time of the second impact; at 9:59 a.m., when the first tower collapsed, and finally at 10:29 a.m., when the North Tower fell. Bells will be tolled during the last period of silence. All instructors are asked to observe these four moments of silence in their classes in honor of those who perished.
