To All Faculty and Staff:

Dear Colleagues,

The Provost's Lecture Series and the Committee on General Education are pleased to jointly present a panel discussion entitled "Stony Brook General Education: 50 Forward". Three distinguished panelists:

Graham Spanier (President of Pennsylvania State University), Ralph Kuncl (Provost and Executive Vice President for the University of Rochester), and Sue Faerman (Vice Provost and Dean for Undergraduate Education) will lead a lively discussion on future directions, options, and opportunities in General Education as we look to revise Stony Brook's undergraduate curriculum.

The event will take place on Wednesday, October 6 from 12:50 pm-2:10 pm in the Student Activities Center Auditorium and feature open microphones for all students, faculty, and staff in attendance. Please bring your selves, your experiences, your hopes and ideas to what promises to be a lively and eventful discussion. Seating is limited and on a first come basis.

Eric W. Kaler
Provost and Senior Vice President for Academic Affairs.
