# This Week at Stony Brook Southampton

---

11/23/09-11/29/09; vol. 4, issue 13

The viewing of "The World According to Monsanto" with a panel discussion on Genetically Modified foods was a great success, with over 150 people attending. Congratulations to student Kathleen Furey for her project, along with advising professors Heather Macadam and James Quigley. Read more about it at [cleanfoodearth.blogspot.com](http://cleanfoodearth.blogspot.com).

*Did You Know?*  
**Did You Know?**

Alan Alda, renowned actor and writer best known for his lead role in *M\*A\*S\*H*, has been hosting workshops for University graduate science students throughout the semester in the Avram Theater. These brilliant people spend much of their time inside of the scientific world, but are often unable to tell the positive results of their work to the public. Through loosening-up acting techniques, the scientists learn how to break out of their boxes and convey the excitement of their findings in a more mainstream way. The University has been filming Prof. Alda's workshops for use in an upcoming instructional video.

**From Senior Counselor Ginny St. John:** "Thanks to all who supported another successful **RED WATCH BAND** training! The RWB now numbers 38 and other students have expressed interest in upcoming trainings. *Thanks especially* to Mike Kampf, Linda Hamilton, everyone at UPD (Patty, Mike and Paul), Amy Phillips, Michael Sperazza, Darren Johnson, Sherrille Shabazz, Brett Auletta, and Lara Hunter and Ellen Driscoll up at West for all their help and support, and special thanks to student Nick Colonna, who has officially kicked off our peer education program! This is a GREAT program and I know we all look forward to its continued expansion here at Southampton! "

**A Helping Hand for the Holidays: Donation boxes** for local charities and needy families can be found in the Student Center Tree House Lounge and Atlantic Hall Lobby from 9 a.m.-5 p.m. Items being collected include new or slightly used clothing, nonperishable food and toys. Please spare what you can and lend a helping hand this holiday season.

**Interviewing Workshop** -Presented by Advising Services: *You've landed an interview, now what?* Come to our Interviewing Workshop to learn the dos and don'ts of the interview process. December 2nd from 1 p.m.-2 p.m. in the Special Events Room located in the Student Center. Please contact Rene Andersen at 632-5110 for further information.

**This section is dedicated to intramural and other sports at Stony Brook Southampton!** Please send us your meeting times and dates, as well as scores from previous games. *Be aware* that your

meeting times must have been approved officially by Student Activities before they are posted.

**Tennis:** Meets Wednesdays, Thursdays, & Fridays 7-9 p.m. at the Tennis Court (behind Student Center).

**Yoga: Tuesday, Thursday, & Sunday at 7 p.m., New Gym.** All levels are welcome! Perform a mix of gentle hatha, core, and power yoga. Mats are available, but please bring your own if you have one.

A great job to the executive board and additional members of the Stony Brook Southampton **Colleges Against Cancer** organization, who participated in the Damon Runyon 5K at Yankee Stadium Run/Walk for Cancer Research on Sunday, November 15th. There were over 2,500 participants who circled the concourses, ramps, stairs, and levels of the stadium, participating in two additional laps on the warning track circling the field. The SBS team alone successfully raised over \$1,200 dollars to help support the research.
