**4 R's Weekly Column:**

## Recycle

Recycle is the most well-known of the 4 R's, and it's incredibly important, especially during RecycleMania!

On campus, we can recycle #s 1+2 plastic, aluminum, glass, mixed paper, and cardboard. But did you know that you can also recycle clothing, cell phones, inkjet and toner cartridges, batteries, non-perishable food items, and small appliances on campus?

Stony Brook also participates in a ceiling tile recycling program, and we recycle asphalt, brick, and concrete for use in University roads, as well as woody debris for mulch in campus gardens.

The RecycleMania Internal Competition results are in! Amagansett and Southold are leading the competition with 15 ½ points, followed closely by Greenport and Sagaponack with 14 points, and Mattituck and Shelter Island with 13 points. There's still time to turn the competition around! Look for our Outreach Coordinators for help strategizing a competition upset!

See a bin? Drop it in!

2009 Academy Award Nominated Documentary

Followed by a Discussion of the Film,

Updates and Feedback on FSA Cafe Progress

March 22nd, April 5th , April 12th, 2010 - Screenings To Be Announced.

From Student Caroline Dwyer: "WHAT'S COOKING AT SBS?" The Food For All Club will be meeting this week, March 10, 2010 at 2:00 PM in the Library Café. On this week's agenda: Earthstock: Food For All Club's FOOD-IN and CROP MOB! Bring yourself and bring a friend- it's getting hot in the kitchen at SBS! The 3/3/10 meeting of the Food For All Club was another smashing success! Chef Joe Yenalevich, Dawn Villacci (FSA) and Donna (FSA) were in attendance once again offering their expertise and knowledge and helping to move our Café towards greater sustainability. They also shared a lot of great news including the University's purchase of REUSABLE ceramic mugs to replace the DISPOSABLE paper cups for hot beverages- they're coming soon! This was an action item in the FFAC's Food Service Enhancements Proposal to the FSA and we could not be more pleased that this request was complied with so quickly! Chef Joe also shared with the Club that he will be meeting next week with the Long Island Farm Bureau to discuss incorporating more locally grown food into our menu here at SBS. Additionally, there was discussion regarding incorporating our own campus-grown food into the dishes prepared in the Café- something the FFAC is REALLY looking forward to! We're hoping to see many new faces at our next meeting- please join us and make great things happen! Contact [carolines213@hotmail.com](mailto:carolines213@hotmail.com).

From Prof. Heather Macadam:

**SCRIBES** (the secret society) announces:

**WRITE YOURSELF OUT OF THE BOX!** Tired of feeling apathetic? Time to slough off the ennui of winter? Feel like you are limited by social constraints, rules and regulations that do not serve our unique campus community? Well, take action and write yourself out of the BOX. All over campus there are white squares of paper appearing (1/6 of a standard sheet of paper). The challenge? To communicate something within that limited space that challenges our perceptions and gets us to think **OUTSIDE** the BOX!

Deliver Your BOX to the Writing Center's - BOX DROP. Every week, purple table tent cards with the week's calendar of historical subversive activities that have changed the world and YOUR boxes, will be distributed around campus. So we can all step outside the BOX!
