

The Newsletter of the Stony Brook Health Sciences Chapter  
of United University Professions

Winter 2007

The SUNY hospitals are under the gun. UUP Statewide President, Bill Scheuerman has charged UUP members to enter the ring in the fight to turn back the recommendations of the Berger Commission in their efforts to privatize SUNY hospitals. Scheuerman has come up with an action plan to save our hospitals. He has advocated for a daily bombardment of our governor, Eliot Spitzer along with legislators Sheldon Silver and Joseph Bruno by UUP members to inform them to expect opposition to the actions suggested by the commission. It is important for chapter leaders to step forward and lead the charge.

The goal of the UUP political action plan is to convince legislators to reject the Final Report of the Berger Commission on Health Care in the 21st Century. The report concludes that the New York State healthcare system is in "weak financial condition" and is "struggling to maintain a 20<sup>th</sup> century institutional infrastructure in the face of mounting costs, excess capacity and the unmet needs for community-based alternatives. The report cites blaring weakness in the system and proposes several recommendations as an apparent solution to the problems. One such solution proposes the privatization of the major SUNY hospitals including Stony Brook, Syracuse (Upstate) and Brooklyn.

To circumvent the proposed privatization of the SUNY Hospitals, the intended strategy by UUP is to generate participation by working with the UUP leadership in each hospital community. The leadership will then in turn encourage its membership to engage in a campaign of faxing letters through the UUP website, letter writing, phone calling and attending legislative hearings state-wide. All of these maneuvers will aid in the fight to keep SUNY's hospitals public.

Brothers and Sisters,

This newsletter includes the latest discretionary awards that were dispersed in December, 2006. I know there are those who disagree with the decision to publish these awards. There are several reasons why I elected to do so. First, many of our members have told me that they are not told about discretionary funds at all. They have complained that they are not given any criteria to receive these monies, or how much they would be getting. Other individuals have stated that they were advised that there were no discretionary funds available for their department. Many of our members were informed that their Administrators or Chairs did not recommend them for the award. Others were told they were not "good workers," even though they had good evaluations and no documentation to otherwise support that they were not "good workers." Some members received less than \$500 without justification, while others received well over the \$3000, without justification. Members have been told "It is a Union issue." Our office is bombarded with questions to which the answer is that members need to talk to their department. In some cases, members are simply not being told the truth. Lastly, while we do have the DSI award list book in the office, many of our members work off shifts and cannot get here when the office is open. These members have the right to know how the DSI was dispersed. While I do not expect everyone to agree with the reasons I have listed, these are only a few of the questions that have come to the UUP office and I feel it is my obligation to answer these inquires.

I would ask that our members pay special attention to the front page of this newsletter. Our statewide president, Bill Scheuerman has asked that we fax letters to Governor Eliot Spitzer Senator Joseph Bruno and Speaker Sheldon Silver opposing the plan to privatize SUNY hospitals. I cannot emphasize how important this action is to stop the threat to our hospital. We must let our legislators know that this is not what we want for our patients, our community or our members.

Last, but not least, you have received nomination forms for the upcoming elections for chapter officers and delegates. I will not be seeking re-election to be your Chapter President. I do want to take this opportunity to express my gratitude for your support and the confidence that you have placed in me over the past years to lead this chapter. It has been the strong involvement of your other officers, executive board, and you, the members that have made us the awesome chapter that we are. In my opinion, we are "The Greatest".

Yours in Solidarity  
Edward Drummond  
Chapter President

# GET READY TO VOTE

The Stony Brook/HSC chapter will soon engage in the process to elect new officers and delegates. The next issue of the Bridges will spotlight the candidates who are running for office and list the names of people who are running for delegate positions. Bridges will give candidates running for officer positions an open forum to introduce themselves to the membership and outline their campaign agendas for the offices they are seeking to fill.

The officers of each UUP Chapter include a president, a Vice President for Academics, a Vice President for Professionals, a Secretary, a Treasurer and a Membership Development Officer. In general, the UUP officer's duties as a whole are to meet regularly to oversee the functioning of all activities of the organization for that particular chapter. An individual profile for each candidate will be included in the next newsletter.

Officers and delegates will be elected to serve a term of two years effective June 1, 2007. Each chapter elects a President, Vice President for Academics, Vice President for Professionals, Treasurer, Secretary, and a Part Time Concerns Representative. In addition they elect a designated number of delegates in proportion to the total eligible membership. Our chapter is the largest UUP chapter in New York State with a total of 1129 eligible academic members and 1936 eligible professional delegates for a total of 3065 eligible members in the Stony Brook Health Sciences Center Chapter. These figures are as of January 3, 2007, certification date for this election.

In the next few weeks, UUP members will be receiving an official ballot in the mail. Every vote counts. Be sure to fill out your official ballot and mail it back before the deadline date. Those ballots will be due back in Albany in early April to be tallied. Results of the election will also be featured in a special edition of Bridges.

Cover Story Continued

If the state were to forge ahead with the recommendations suggested in the Berger Commission reports and privatize the three public teaching hospitals, according to Scheuerman, "the institutions would be affected beyond the level of clinical care provided, possibly endangering accessible, affordable public medical education in New York State." "These hospitals provide a lifeline for their communities, offering services many may not otherwise have access to" Scheuerman added. Scheuerman told the committee "If the responsibility of medical education at our teaching hospitals shifts to corporations, access would suffer as concern about a healthy bottom line, rather than healthy citizens, becomes the main priority. The potential exists that these institutions, highly dependent on the state, would be forced to close their doors."

UUP has adopted the catchphrase: "a letter a day keeps privateers away!" UUP members who are willing to join in the crusade are asked to contribute one letter a day to the cause. Appropriate letters can be found and faxed to legislators through the UUP website (one letter for each hospital, Upstate, Brooklyn, Stony Brook).

Phone Banks have been set up to accommodate the phone calling campaign. To participate in phone banks - call your legislator's District Office immediately. For more info, call the UUP Legislative Department: 1-800-342-4206. To urge legislators to reject the report by the Commission on Health Care, phone calls can be made to the AFL-CIO hotline: 1-877-255-9417.

## Concerns Corner

The SB/HSC UUP Chapter would like to extend condolences to Bruce Kube on the passing of his father Everett Kube. Our deepest sympathy goes out to Bruce and his family.

The SB/HSC Chapter would like to take this opportunity to acknowledge Professor Steven Jonas. Professor Jonas has served as the UUP Health Sciences Center Grievance Chair for Academics and as President of the HSC chapter some years ago. We would like to extend thanks and gratitude to Steve for his many years of service and for his contributions to this chapter.

The opinions expressed in Bridges are those of the authors, the editor, or the Stony Brook HSC Chapter of UUP and are not necessarily the opinions of the United University Professions.

The UUP Newsletter welcomes articles and letters submitted by members of the Stony Brook community. Remember, this is your newsletter. Share your thoughts with us: we want to hear from you. Persons who have material they wish to contribute should type and email their submissions to Sharon Hines: [shines@notes.cc.sunysb.edu](mailto:shines@notes.cc.sunysb.edu) for consideration. Submissions may be edited for brevity and/or clarity.
