## STATEWIDE ELECTIONS

Delegates voted to elect three officers and five members of the statewide Executive Board to two-year terms of office at the Spring Delegate Assembly held in Syracuse on May 9-10, 1986.

Two new vice-presidents were elected. John Crary from Canton will serve as Academic Vice-President and Tom Corigliano from Plattsburgh is the Professional Vice-President. Under a sudden change in the election rules voted by the delegates Friday evening, the vice-presidents elected Saturday morning will become full-time salaried employees of the union no later than September 1, 1986, and started working part-time on June 1, 1986.

In an unprecedented move, the delegates re-elected Treasurer Thomas Matthews from Geneseo unanimously. Matthews was unopposed for his third term in office.

Elected as Academic members of the Executive Board were Jeanne Galbraith (HSC Stony Brook), Bill Scheuerman (Oswego), and Morris Budin (Binghamton). Professionals elected to the Board were Rita Piccolo (HSC Buffalo) and Rowena Blackman-Stroud (HSC Brooklyn). Executive Board members proportionately represent the distribution of academic and professional members of UUP, with half the board being elected each year.

In addition to electing half the board next year, delegates will elect a new president, secretary, and membership development chair. All three of these officers, Nuala Drescher, William Cozort, and Edward Alfonsin, are serving the last year of their third year term, which is the maximum under the UUP Constitution.

### MANDATORY RETIREMENT AT AGE 70

As indicated during the Delegate Assembly, Albany UUP is seeking information necessary for our struggle to eliminate mandatory retirement at age 70 for tenured faculty.

Please forward to the UUP Office your name, address and telephone number if you are planning to retire. This information will be sent to UUP in Albany and an inquiry will be sent to you about your desire to continue employment after age 70.

## PART-TIME PROFESSIONAL EMPLOYEES

It has come to my attention that some Part-Time Employees have been receiving their quarterly accrued reports as much as six months late. Also, some part-timers, when working a holiday, will receive 4.5 hours in compensation even though they work a full day. Some part-timers have not been allocated any discretionary increase.

If you are experiencing problems of this nature, or any other problems you feel the Union is capable of resolving, please feel free to contact Joe Moreschi at extension 1427.

IN MEMORIAM: Raymond Woznick  
Jeanne Galbraith

Raymond Woznick, Treasurer and professional delegate to the statewide Delegate Assembly of the HSC Stony Brook Chapter of UUP, passed away on May 23rd, eight weeks after suffering a stroke. All of us who knew and worked with Ray will miss him tremendously.

Ray was an excellent worker. He always had the job done on schedule, without any fanfare. You had to wonder how he accomplished so much unobtrusively. Whatever his other obligations were, Ray seemed willing to give of his time and of himself--on a committee, at the board meetings, at the Delegate Assembly.

His good humor cheered us all. At the Delegate Assembly, when frustration, exhaustion, or boredom wore down our patience, Ray always had a smile and a word of cheer to keep us going. I envied his calmness, particularly when I had to speak in front of the group.

I remember one February Delegate Assembly when it snowed so badly on Long Island that we were advised to stay in Albany overnight and return on Sunday, rather than our usual Saturday. Ray had come with a group of delegates, but I had driven up alone the preceding day to attend the Executive Board meeting. Ray volunteered to stay and drive back with me when the other delegates left. His calm patience and good humor enabled us to arrive home safely and I was grateful for his company.

For his steadfast loyalty and friendship, his warm and caring personality, and his dedication to UUP and the University community, we will all cherish him in our memories. To his family we send our sincerest condolences, for they will surely miss him even more than we who shared his life here at Stony Brook.
