

**The College of Business Is Pleased to Present:**

# **Alumni Speaker Panel**

Tuesday, November 13 at 7 pm

Wang Center, Theater

**Please join us to welcome back several recent College of Business alumni for what is sure to be a lively panel discussion on what it takes to be successful in your job search and your first jobs after Stony Brook.**

**Moderated by Professor Richard Laskowski**

**And Featuring the Following Alumni:**

## **KIRIN MAHMUD**

**Global Operations-  
Financial Planning Analyst**

**GE Asset Management, Stamford, CT**

**Education:**

BS, Business Management  
Specializations in Accounting  
& Finance; Double Major in  
Economics, 2011

Kirin was hired by GE-Aviation in January 2011 as a Finance Intern. She was assigned the critical project of completing a post-outsourcing cost benefit analysis. Upon completion of the internship she was hired into GE's Financial Management Program (FMP) at GE Corporate; an intensive two-year entry-level program spanning four rotational assignments. Kirin has earned GE Corporate Honors and is currently in her second rotation at GE Asset Management.

## **EVAN JAQUIAS-JOHNSON**

**Real Estate Sales**

**Bold New York, New York, NY**

**Education:**

BS, Business Management  
Specialization in Finance, 2010

Evan began his career in real estate in his sophomore year with a one-year long internship with Coldwell Banker Commercial: Rosner and Associates. He subsequently worked in various environments from property management on Long Island to leasing management of market-rate and middle-income residential developments in Manhattan. For the past two years, Evan has been working strictly in Manhattan with Bold New York, as a residential real estate agent and adviser for rentals and sales.

## **AMIT KUMAR**

**Analyst**

**Goldman Sachs, New York, NY**

**Education:**

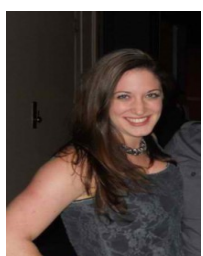

BS, Business Management  
Specialization in Finance  
Double Major in  
Economics, 2011

Amit had the privilege of participating in the College of Business Honors Program during his senior year. He worked at Goldman Sachs as a Summer Analyst in Interest Rate Derivatives in the summer of 2010 and started working for Goldman Sachs full time in July 2011 as an Analyst in Securities.

## **VALERIE MORAN**

**Enhanced Due Diligence Investigator**

**Astoria Federal Savings Bank, Jericho NY**

**Education:**

BA, English  
MBA Fast Track Program  
Concentrations in Human Resources & Health Care Management, 2011

Valerie made her first contact with Astoria at a Career Center job fair, and her interviews led to her first position as a Management Associate Assistant Manager in training. From this position she had the ability to participate in special assignments and was offered a position in the Compliance Department as an Enhanced Due Diligence Investigator. While at SBU, Valerie held the positions of Vice President and President of the MBA Association.

## **AMAL GAWLE**

**Financial Professional**

**Prudential Financial, Melville, NY**

**Education:**

BA, Economics, 2000  
MBA, Concentration in  
Finance, 2007

Amal spent 7 years at Standard & Poor's where he focused on financial data integration. From 2007 to 2009, he was a Financial Advisor at UBS in Manhattan, and since 2009 he has been working for Prudential Financial. He already ranks within the top 200 advisors at the firm nationwide. The MBA was an excellent stepping stone into a new and challenging career in the Financial Advising Industry. Amal has his Certification in Long Term Care and is currently pursuing the Chartered Financial Consultant (ChFC) designation from the American College.

## **LUKE SUROWIEC**

**Associate, Energy Efficiency Division,  
ICF International, New York, NY**

**Education:**

BA, Environmental Studies  
MBA Fast Track Program, 2008

Luke has gained years of experience in the NYC construction and real estate landscape through his work as project manager for a construction management firm. His current ICF consulting project with the City of New York allows him to play a significant role in the implementation of an environmental and energy program that will significantly improve the air quality throughout the five boroughs in the next year.
