

## **SBUMC Department of Pathology Residency Program**

### **Platform Presentations**

#### **2011**

Parker T, Harmon B, Hwang S, Pearl M, Tornos C. Impact of subspecialization on the intraoperative diagnosis of ovarian lesions: A review of 831 cases. Accepted for platform presentation at the ASCP annual meeting, October 2011, Las Vegas, NV.

Harmon B, Hwang S, Parker T, Pearl M, Tornos C. Factors Influencing Accuracy of Frozen Section Diagnosis of Ovarian Mucinous Tumors; a Review of 100 Cases. USCAP meeting, February 2011, San Antonio, TX.

Patel C, Pandya D, Pearl M, Tornos C. Number of Lymph Nodes in Staging for Endometrial Cancer: Is the Minimum Required by Some GOG Protocols Feasible? USCAP meeting, February 2011, San Antonio, TX.

#### **2010**

Jaggessarsingh D, Singh M, Liu J, Fisher P, Tornos C. Non-Atypical Papillary Breast Lesions on Core Biopsy: Do all of them require surgical Excision? A meta-analysis of 878 cases. USCAP meeting, March 2010, Washington, DC.

### **Poster Presentations**

#### **2011**

Em M, Kane P, Bernstein C, Palermo R, Tornos C. Hydromark: A Breast Biopsy Site Marker That Elicits a Deceiving Tissue Response, Difficult To Identify as Biopsy Site on Subsequent Excision. USCAP meeting, February 2011, San Antonio, TX.

Jaggessarsingh D, Kane P, Bernstein C, Singh M, Farrelly P, O'Hea B, Tornos C. Idiopathic Granulomatous Mastitis a Rare Entity Often Masquerading as Carcinoma: Report of 6 Cases. USCAP meeting, February 2011, San Antonio, TX.

Pandya D, Singh M, O'Hea B, Farrelly P, Burk M, Rizk C, Tornos C. Factors Influencing Accuracy of Sentinel Node Frozen Section for Breast Cancer: A Review of 654 Cases Including 1678 Sentinel Nodes. USCAP meeting, February 2011, San Antonio, TX.

#### **2010**

Harmon B, Singh M. Pediatric Solid Malignant Neoplasms: A Comparative Analysis. (Manuscript submitted to The Indian Journal of Pathology and Microbiology). CAP meeting, September 2010, Chicago, IL.

Pal T, Zee S, Singh M. Gastrointestinal Stromal Tumors: Not Always a Lone Ranger. CAP meeting, September 2010, Chicago, IL.

## **SBUMC Department of Pathology Residency Program**

### **Poster Presentations**

#### **2009**

Chiang J, Ahmed T, Senzel L. "TTP Presentation and Treatment: The Stony Brook Experience" Abstract presented at the American Society for Apheresis (ASFA) Annual Meeting, San Diego, May 22, 2009.

Pal T, Watkins K, Zee S. Choledochal Cyst with Associated Signet Ring Cell Carcinoma of the Ampulla. CAP meeting, October 2009, Washington, DC.

Pal T, Schreiber ZJ, Liu J, Tornos C. Calretinin and B72.3 as Useful Markers in the Differential Diagnosis of Adenocarcinoma versus Reactive Mesothelium in a Background of Adnexal Endometriosis. USCAP meeting, March 2009, Boston, MA.

Pal T, Hwang S. Strongyloides Hyperinfection / Disseminated Disease: An Unexpected Cytologic Diagnosis with Autopsy Follow-up. CAP meeting, October 2009, Washington, DC.

Pal T, Hersh M, Singh M. Voice Recognition Software Utilization Enhances Surgical Pathology Workflow. CAP meeting, October 2009, Washington, DC.

Singh M, Perez D. Digital cytology images: a multiplex role with potential as a learning tool for pathology residents. CAP annual meeting, October 2009, Washington, DC.

Schreiber ZJ, Pal T, Hwang S. Blue Nevus of the Colorectal Mucosa. CAP meeting, October 2009, Washington, DC.

Zhang Y, Bergamaschi R, Kane P, Singh M. Granulomatous inflammation presenting as ileocecal mass with bladder and abdominal wall involvement. CAP meeting, October 2009, Washington, DC.

#### **2008**

Park J, Pal T, Klein S, Magidson J, Heimann A. Fine Needle Aspiration of Metastatic Renal Cell Carcinoma to the Thyroid: A Study of Two Cases and Review of Literature. CAP meeting, September 2008, San Diego, CA.

Park J, Liu J, Zee S. Gastric Metaplasia: A Frequently Overlooked Feature of Duodenal Carcinoid Tumors. CAP meeting, September 2008, San Diego, CA.

Park J, Sheynkin Y, et al. Malignant Mesothelioma of the Tunica Vaginalis. CAP meeting, September 2008, San Diego, CA.

## **SBUMC Department of Pathology Residency Program**

### **Poster Presentations**

#### **2007**

Arbefeville S, Kane P, Spitzer ED. Histologic and Microbiologic Diagnosis of Infective Endocarditis. ACLPS meeting, June 2007, San Diego, CA.

Park J, Patel K, et al. Alveolar Soft Part Sarcoma of the Uterine Cervix. CAP meeting, September 2007, Chicago, IL.

Patel K, Park J, et al. Signet-Ring Cell Change in a Pre-Existing Tubulovillous Adenoma with Pseudomembranous Colitis. CAP meeting, September 2007, Chicago, IL.

Rose WN, Spitzer ED, Bock JL. Blood Detection in Urine: Lower Threshold for the Clinitek Status Compared With the Yellow IRIS. ACLPS meeting, June 2007, San Diego, CA.
