

WHERE TO REPORT CONCERNS ABOUT PATIENT SAFETY

Concerns about Patient Safety may be reported to:

- Attending Physician
- Chief of Service
- Nurse Manager for Area
- Carolyn Santora – AD Patient Safety & Regulatory Affairs (444-1956)
- Joseph DeCristofaro, MD, Asst Medical Director for Patient Safety (444-7653)
- Todd Griffin, MD, CMO (444-9148)
- William Greene, MD, Chief Quality Officer (444-2721)
- Steven Strongwater, MD CEO (444-2701 or fax 444-8925)

Additionally, you can call the safety hotline at 444-CARE and leave a message.

If your concerns have not been addressed, or if you prefer, you may contact the Joint Commission (TJC) at 1-800-994-6610

No disciplinary action will be taken because an employee reports safety or quality concerns to TJC

For concerns related to workplace safety please contact Jill Kavoukian, Environmental Health & Safety (444-6783)
