WALK for BEAUTY began in 1994 as a community effort to raise breast cancer awareness and to establish a boutique for people with cancer. Since 1996, WALK for BEAUTY has supported breast cancer research at Stony Brook University. Proceeds from this year's walk will support this research and provide wigs for cancer patients in financial need.

WALK for BEAUTY is held in beautiful and historic Stony Brook. 6K walkers have the option of walking through Avalon Park and Preserve.

There are never administrative fees and nothing is deducted for administrative costs. All donations are tax deductible to the extent allowed by law.
