A Statement from the SEFA Council

The Statewide SEFA Council (Council) is pleased to offer a new design of the SEFA brochure. The new design lists only the SEFA charity name and number, and is called the "Charities Listing." The Council continues its efforts to decrease the cost of the campaign, and one way is by reducing printed materials such as the listing. The new design reduces the number of pages which make up the Charities Listing, and this in turn will significantly cut the total number of printed listings. We respectfully ask that once you are finished with the Charities Listing that you pass it along to other employees for their use.

To further support the mission of reducing Statewide SEFA costs, the Council and the Office of General Services have developed an online listing of the participant charities. The listing offers a brief summary of SEFA charities. The listing can be found at <https://online.ogs.ny.gov/sefa/>. For your convenience, a digital pledge form can also be found at the OGS website. Complete the pledge form and print it out. Remember, the pledge form cannot be saved.
