Hi Everyone,

Included in this email are the Acts and Resolutions passed by the USG Senate on 9/30/10:

1. **Resolution Supporting Online Course Evaluations** (signed into law on 9/27/10)
2. **September 2010 USGC Update Act** (Enacted into law on 10/7/10)
3. **2010-2011 Referendum on the Undergraduate Student Activity Fee** (Passed by the Senate on 9/30/10 and the Executive Council on 10/1/10)
4. **Establishment of Events Management Bylaws Act** (signed into law on 10/6/10)
5. **2010-2011 USG Operational Budget Adjustment Act** (signed into law on 10/6/10. Pending approval by the VP for Student Affairs)

Also included in this email are:

1. The approved minutes from the 9/23/10 USG Senate meeting.
2. The *USG: Going Forward Plan*
3. The Undergraduate Student Government Code - September 2010. (The USGC is a codification of positive law. It is modeled after the United States Code, which is a summary of all positive or enacted law organized by topic/subject rather than chronologically like the statues at large. The September 2010 version is the first update since its original enactment in May 2008. As per the *September 2010 USGC Update Act* which was also included in this email, the USGC becomes official USG law repealing all the previous laws that it has codified, becoming the official record of the USG).

Thank you,

Alex
