Contact Info: USG Treasurer Thomas Kirnbauer (tkirnbauer@stonybrookusg.org)

The Asset Grant is for large one time purchases. Please provide two quotes (if possible) for each item.

Name of Organization: Bowling Club

This grant is designed to alleviate the equipment cost this team undergoes each season. Because we compete at such a high level of competition in USBC sanctioned tournaments against other top-ranked universities, our equipment needs to match that in order to bowl at the best of our abilities.

The club wishes to make clear that the equipment being requested for are all long-term assets and are additionally are not personalized equipment per team member. New technology available at all local pro shops allow for multiple users of the same equipment over years use.
