HOW TO SAVE
A FRIEND'S LIFE

TO PREVENT DEATH FROM
TOXIC DRINKING...

ACT NOW IF SOMEONE IS VOMITING, HAS PASSED OUT, IS SEMI-CONSCIOUS OR SUFFERING A SEIZURE.

- 1.** Call 911.

- 2.** Describe what you observe to the 911 dispatcher.

- 3.** Give your exact location so the ambulance can find you.

- 4.** Stay and care for the victim until the ambulance arrives.
