Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parents have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the information below and have one parent complete and sign this form. Note that this form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to the limits for dependent students. No other federal, state, or university need-based aid will be available, including the Federal Direct Parent PLUS Loan. Although the Financial Aid Office may waive the requirement for parent income and asset information on the FAFSA, the student must complete and submit a FAFSA that includes all of the required student information and certifications.

PARENT SECTION:

I attest to the following:

- [] I have stopped providing financial support to the student as of the following date: (mm/dd/yyyy)
[] I did not and will not claim the student on my 2011 Tax Return.
[] I do not provide medical insurance coverage for the student.
[] I do not provide cash support for student, including educational expenses.
[] I do not provide room and board for the student.
[] I will not provide financial support to the student in the future.
[] I refuse to complete the parental section of a Free Application for Federal Student Aid (FAFSA).

Table with 2 columns: ACADEMIC LEVEL OF DEPENDENT STUDENT, UNSUBSIDIZED LOAN LIMIT. Rows include Freshman (0-23 earned units) at \$5,500, Sophomore (24-56 earned units) at \$6,500, and Junior and Senior (57 or more earned units) at \$7,500.

Unsubsidized loans accrue interest from the time the unsubsidized loan is disbursed until it's paid in full. The current interest rate is fixed at 6.8 percent. You can pay the interest or allow it to accrue (accumulate) and be capitalized (that is, added to the principal amount of the loan). Capitalizing the interest will increase the amount owed.
