## Extreme Dodgeball Rules of Play

---

### **Players:**

Each team will consist of 6 players with a minimum of 4 players to start.

### **Length of Game:**

Seven games of 4 minutes each will be played. Best of seven wins. The games will be played until the 4 minute time limit is reached or when one team eliminates all the players on the opposing team.

### **Mercy Rule:**

No mercy rule is in place for dodgeball.

### **Scorekeeping:**

The score will be kept by supervisors on duty.

### **Sportsmanship:**

Teams must average a sportsmanship rating of 3.0 (B average) or better in the regular season to be eligible for playoffs and maintain at least a 3 (B) sportsmanship rating in each playoff game to continue to the next round.

### **Rules:**

This is a self-officiated sport based on the honor system. Any conflict between two teams that is not resolved within one minute will result in a double forfeit and a one game suspension for each team. NO EXCEPTIONS (teams must respect each other's calls and cordially settle any disputed calls).

There will be two cones on each side that has a tennis ball on it. Play continues until a ball is knocked off the one of the cones or everyone on the same team is tagged out.

The number of balls to be used will be 6. Each team will start with 1 ball and 4 balls will be placed on the centerline.

Substitutions are not permitted. The people that started the game must be the ones to finish it unless you are adding to complete the maximum of 6 players.

Players then take a position behind their end line. After a signal by the official, teams approach the centerlines to retrieve the balls.

The initial player(s) who attempt to retrieve the balls from the center line, must return completely behind the "Touch-back Line" before they can throw the balls they obtained.

Players then attempt to eliminate members of the opposing team by tagging them with the ball. If a player is hit with any ball that has not yet touched the floor, that player is "out" and must go into the player box.

Play continues until one team is eliminated.

The balls are then reset on the centerline and play resumes when the whistle is blown. When time runs out the team with the most players remaining will win that game. In case of a tie, the game will continue and until one player from either team is eliminated.

Any ball that touches the ceiling or wall is a dead ball.

If a defender catches a "live" thrown ball the thrower is out and one player then returns to the defenders side in the order in which they were out.

If a defender attempts to catch a live ball, but drops it, the defender is out.

The defender may block a live ball with another ball. That ball is still a live ball however, until it hits the floor, wall or ceiling. However if a player blocks a ball with a another ball that s/he is holding, and as long as it is a clean block that does not touch any part of the hand or body, **s/he is not tagged out.**

If a blocking ball is dropped as a result of contact from a live ball, then the player who drops the ball is out. If a blocked ball hits the player anywhere else on his/her body after being blocked, s/he is out. (Spear/shield theory—if you block a spear with a shield and it hits you in the shoulder, you're still injured.)

**A player may block a live ball, then throw the blocking ball down and catch a live ball.**

A player shall not leave the playing field to avoid being hit or in an attempt to catch a ball. If he/she does, they will be called out.

It is illegal for the leading team to control all the balls for more then 6 seconds. (A violation will result in the referee stopping play and the balls will be divided evenly.)

Headshots resulting from a high thrown ball result in the thrower being called out. However, a player hit in the head while ducking or dodging is out.

A player may re-enter the game if the team he or she is on catches the opponents' ball. You must stay in the order in which you were eliminated and reenter in that same order.

Please make sure to leave the playing area as quickly as possible once you are tagged out.

Swearing will not be tolerated.

## **Additional Rules for CO-ED Dodgeball**

---

### **Players:**

There must be at least 3 women to start the game. The number of men may never exceed the number of women to the start the game. There must be at least 4 people to start the game in the Men's league.
